Monarch®
Products & Services

Date: June 11, 2014

Federal Communications Commission

To Whom It May Concern:

This change of identification request applies for a new FCC ID: GU6-SDMAN as established for a currently approved device. This application by **Avery Dennison Retail Information Services, LLC** will establish a new FCC ID under **Avery Dennison Retail Information Services, LLC's** grantee code for purpose of marketing. The original grant to Silex Technology, Inc. will remain in effect.

An authorization letter by Silex Technology, Inc. is attached.

The equipment is electrically identical. The original test results are applicable and representative of this changed device.

Under this new FCC ID, there will be an additional SDIO interface board.

External photographs are included in the application.

Should there be any question, please feel free to contact us.

Sincerely,

A handwritten signature in black ink that reads 'James Bacher'.

James Bacher, Senior Engineer
