Attention: Application Examiner

This letter requests a change in identification per 47CFR 2.933b for a currently certified device. This application by Avery Dennison will establish a new FCCID under grantee GU6. The original grant issued under FCCID N6C-SDPAC to Silex Technology, Inc. will remain in effect.

- The FCCID of the originally certified product is: N6C-SDPAC
- The original grant date is: 08/18/2016
- The new FCCID is: GU6-SDPAC
- The new device is electrically identical with no modifications to the construction, design or electrical components.
- The original test results are applicable and representative of the new device.

The following files are electronically submitted as attachments with this application:

- Authorization letter from [original grantee holder]
- Exterior photo exhibit
- Label exhibit

Sincerely yours,

Name: Michael Ouziel

Signature: 

Title: Regulatory Engineer
