Ref: FCC ID: GU6CNWLG500

TIMCO Engineering, Inc.
849 NW State Road 45
Newberry, Florida 32669

To Whom It May Concern:

The intent of this modular certification is to allow the use of Chung Nam 802.11b/g miniPCI card and our antennas in any of our printers without re-certification. This will allow the cards to all have the same FCC ID on them, instead of us having to stock under different numbers with different FC Ids. We will only sell it in our printers where we have full control.

If you have any questions or concerns, please contact me by email at jim.bacher@paxar.com; phone at 1-937-865-2020; or by fax at 1-937-865-2048.
