Connecting your ValuOptical Wireless

Your ValuOptical Wireless has a USB connector, which can work with both PCs and Macintosh® computers and a PS/2 adapter for PCs.

Connecting to a PC

To connect to a USB port 	Do this: Plug the cord into your computer's USB port or a USB port on a hub connected to your computer. You do not need to turn off your computer before connecting or disconnecting a USB device.
PS/2 mouse port 	<ol style="list-style-type: none"> 1. Turn off your computer. 2. Plug the cable into the adapter, then plug the adapter into the computer's PS/2 port. 3. Reboot your computer.

Connecting to a Macintosh computer

To connect to a USB port 	Do this: Plug the cord into your computer's USB port. You may also use the spare USB port on your keyboard, or a USB port on a hub connected to your computer. You do not need to turn off your computer before connecting or disconnecting a USB device.

Power save/Power Off

The mouse will automatically switch to power save mode if it is left idle for more than eight minutes.
 To wake up the mouse, simply click one of the top buttons.
 For extended periods without use, the mouse can be powered off by pressing and holding the connect button located on the underside for three seconds.
 The LED on the underside of the mouse will not illuminate when powered off.
 To power on, press the connect button for three seconds.

Trouble Shooting

Symptom: No mouse movement.
Possible Causes: (1) Make sure the receiver is securely plugged in
 (2) Repeat the wireless connection procedure (p2)
 (3) Check batteries and replace if necessary

Symptom: The cursor on the screen remains at one spot or moves erratically.

Solution: Mouse performance can be affected by very shiny, reflective surfaces.
 Try using a mouse mat.

Warranty Information

5-Year Warranty

KENSINGTON TECHNOLOGY GROUP ("KENSINGTON") warrants this PRODUCT against defects in material and workmanship under normal use and service for five years from the original date of purchase. KENSINGTON, at its option, shall repair or replace the defective unit covered by this warranty.

Please retain the dated sales receipt as evidence of the date of purchase. You will need it for any warranty service.

In order to keep this warranty in effect, the product must have been handled and used as prescribed in the instructions accompanying this warranty.

This warranty does not cover any damage due to accident, misuse, abuse or negligence. This warranty is value only if the product is used on the computer or system specified on the product box. Please check product box for details, or e-mail technical support at help@kensingtoneuropa.com.

Repair or replacement, as provided under this warranty, is your exclusive remedy. KENSINGTON shall not be liable for any incidental or consequential damages. Implied warranties of merchantability and fitness for a particular purpose on this product are limited in duration to the duration of this warranty.

Some countries do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Some countries do not allow limitations on how long

an implied warranty lasts, so the above limitation may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from country to country.

Kensington does not warrant that the functions contained in the programme will meet your requirements or that the operation of the programme will be uninterrupted or error-free.

IN NO EVENT WILL KENSINGTON BE LIABLE TO YOU FOR ANY DAMAGES INCLUDING ANY LOST PROFITS, LOST SAVINGS, OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE SUCH PROGRAMME(S) EVEN IF KENSINGTON OR AN AUTHORISED DEALER OR EITHER OF THEM HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, OR FOR ANY CLAIM BY ANY OTHER PARTY.

CE Declaration of conformity

The Kensington ValuOptical Wireless has been tested in accordance with the essential requirements for CE marking. Kensington herewith confirm this product complies with all the requirements set out in the Council Directive on the approximation of the laws of the member states relating to Electromagnetic Compatibility 89/336/EEC, Low Voltage Directive 73/23/EEC and R&TTE Directive 99/5/EC.

CE Verklaring van conformiteit

Dit Kensington-product, ValuOptical Wireless, is beproefd in overeenstemming met de essentiële eisen voor CE-markering. Kensington bevestigt hierbij dat dit product voldoet aan alle eisen in de Richtlijn van de Raad inzake de onderlinge aanpassing van de wetgevingen van de lidstaten betreffende elektromagnetische compatibiliteit (89/336/EEG) en in Laagspanningsrichtlijn 73/23/EEG en de Radioapparatuur- en telecommunicatie-eindapparatuurrichtlijn 99/5/EG.

CE Déclaration de conformité

Le produit Kensington, ValuOptical Wireless, a été testé et déclaré conforme aux exigences essentielles relatives au marquage CE. Kensington confirme par les présentes que ce produit respecte toutes les exigences spécifiées dans la Directive 89/336/CEE du Conseil concernant le rapprochement des législations des États membres relatives à la compatibilité électromagnétique ainsi que dans la directive 73/23/CEE relative au matériel électrique destiné à être employé dans certaines limites de tension et dans la directive 1999/5/EC RTTE.

CE Konformitätserklärung

Dieses Kensington Produkt, ValuOptical Wireless, wurde gemäß den wesentlichen Anforderungen für die CE-Kennzeichnung geprüft. Kensington bestätigt hiermit, dass dieses Produkt allen Anforderungen entspricht, die in der Richtlinie des Rates zur Angleichung der Rechtsvorschriften der Mitgliedsstaaten über die elektromagnetische Verträglichkeit (89/336/EWG), der Niederspannungsrichtlinie 73/23/EWG und der R&TTE-Richtlinie 99/5/EG festgelegt sind.

CE Declaración de conformidad

Este producto Kensington, ValuOptical Wireless, ha sido comprobado de acuerdo a los requisitos esenciales para el mercado CE. Por la presente, Kensington confirma que este producto cumple con todos los requisitos dispuestos por la Directiva del Consejo relativa a la aproximación de las legislaciones de los Estados miembros sobre compatibilidad electromagnética (89/336/CE) y con los dispuestos por la Directiva sobre bajo voltaje 73/23/CE y la Directiva R&TTE 99/5/CE.

FCC Part 15 Warning statement:

Warning:

Changes or modifications to this unit not expressly approved by the party responsible for compliance will void the user's authority to operate the equipment. Any change to the equipment will void FCC grant.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the Instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
