RE: ACCO Brands Inc.

FCC ID: GV364321

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) The block diagram should show the frequency of all oscillators in the device (CFR2.1033(a)(5)).
- 2) The FCC logo and phrases "For Home or Office Use/Tested to Comply with FCC Standards" are used to show compliance with a DoC authorization. These items are not applicable to the mouse and should be removed from the label.
- 3) The FCC identifier shown on the label should use the format "FCC ID:". Please provide an updated label.

Timothy R. Johnson
Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
