**CHANGE IN IDENTIFICATION OF EQUIPMENT**

The Cortelco Systems, Inc. Model 530014-759-100 Unlicensed Personal Communications Systems (UPCS) is an OEM for the previously certified CTP Systems Ltd. The Cortelco's UPCS 530014-759-100 base station is electrically the same as CTP's Model 1900-BS. The only difference is the front covers labeling and the type identification labels; therefore, the 530014-759-100 meets all of the requirements of § 2.933(a) for change in identification without a change in design, circuitry or construction.
