

CLIMAX TECHNOLOGY CO., LTD.

No. 258, Sinhu 2nd Rd., Neihu District Taipei City 114 Taiwan (R.O.C.)

Federal Communications Commission

FCC ID: GX9BTX

Dear Sir:

One concern is the User Manual included in the documents that we submitted to you. It is the Product Requirements from our customer and contains the message format and other information on the communication between the BTX and cell phone. As we would like to request confidentiality on this document, we suggest to replace with revised User Manual that can be made public so that offender would not have access to such things as the message protocol, pass key, etc.
