

# TELEMOTIVE

## INDUSTRIAL CONTROLS

DATE: 3/07/2000  
TO: George Tannahill  
FROM: Gerald Berger  
SUBJECT: Type Acceptance Of Telemotive Transmitter ID GXZ304E7652

We are not going to continue our pursuit of getting type acceptance for this transmitter at this time because one of the integrated circuits used has been discontinued by its manufacture. We will resubmit the application after the transmitter has been redesigned and retested.

Thank You,

Gerald Berger  
Principal Engineer
