Re: About the modification of Keyboard

Gentlemen:

I, hereby, declare that all modification on the E.U.T.,
FCC ID: GYUR83SK, will be added or layout on the mass production
products. Modifications are shown as below:

1. Added one ferrite core on external data cable at PC end.
(As the photo No.1)
2. Added one ferrite core on internal data cable near main board.
(As the photo No.5)

Sincerely yours

Rich Chen
R & D Manager
