

Date: October 16, 2019

To the attention of:
Federal Communications Commission
Authorization and Evaluation Division

FCC ID: GZ5NVG558

To whom it may concern:

ARRIS hereby declares that the product referenced above integrates a modular radio which was previously certified:

Description:	WCDMA/LTE module
Brand Name:	Quectel Wireless Solutions Co.,Ltd
Certification Number:	XMR201901EM12G
Approval Date:	Feb 1, 2019

No hardware design changes are made on the modules. In addition, the software and RF parameters have not changed. Pursuant to KDB 996369 D02, the original modular report should be used to represent the compliance with applicable FCC regulations. Radiated testing items are performed on the host level to ensure the compliance is maintained.

If you have any questions regarding this authorization, please don't hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas Kelleher", with a long horizontal stroke extending to the right.
