Dear Examiner,

This is to request a Class II permissive change for FCC ID: GZ5NVG599, originally granted on 12/12/2013.

- The device has no option to change the DFS parameters and transmissions are disabled at in the 5600–5650 MHz band.
- The device has no configuration controls (e.g., country code settings or other options to modify DFS functions) to change the frequency of operations to any frequency other than those specified on the grant of certification for U.S. operation.

If you have any questions regarding this application, please feel free to contact me.

Sincerely yours,
