Columbia, MD 21046

Dear Sir,

DTC Communications, Inc., respectfully request that the schematic diagrams, block diagram, active parts list, and functional description submitted with the application for Certification under FCC ID: H25T2300 be withheld from public disclosure. This request is made under the provisions of Section 0.457 (d) of the Commission's rules and Section 0.552 (b) (4) of the Freedom of Information Act.

Disclosure of this design information would place DTC Communications, Inc., at a competitive disadvantage. Thank you for your attention to this matter.

Regards,  
William Pomije  
Vice President/General Manager

STATEMENT OF JAMES H. CARRINGTON, JR.

In Regard To

APPLICATION FOR PART 90 CERTIFICATION

For

DTC Communications, Inc.

Non-Broadcast Transmitter

FCC ID: H25PDTX5000

I am an Engineering Technician, an employee of DTC Communications, Inc., located in Nashua, NH. I have performed certification testing and prepared submissions for other intentional radiators under FCC part 90.

All of the measurements contained in this report were performed by me or under my supervision, and I attest to the accuracy of each. I submit that, to the best of my knowledge, the test sample meets the technical standards set forth in the Commission's Rules and Regulations under Title 47 of the CFR, Part 90.
