

TIMCO ENGINEERING INC.
PO Box 370
849 State Road
Newberry, Florida 32669
sid@timcoengr.com

11/2/99

TO: Mr. Frank Coperich
FEDERAL COMMUNICATION COMMISSION

Subject: SEKAKU ELECTRON INDUSTRY CO. LTD. FCCID: H38WT-203P

1. Attached you will find a plot of the occupied bandwidth; since this unit does not have a modulation limiter we set the modulation to 85% of the rated deviation which is +,-40KHz to make the plots.

2. Attached you will find a plot of audio input(15,000Hz) versus deviation. This unit does not have a limiter.

If you have any other questions please let me know.

BEST REGARDS,

Sid Sanders
