Federal Communications Commission  
 Equipment Authorization Branch  
 7435 Oakland Mills Road  
 Columbia, MD 21046

**Modular Approval Request**

**FCC ID:** H3RTLVRFID02

**The following attestation addresses the requirements to support modular approval:**

Modular approval requirement	Yes(provide brief statement)	No *
(a) The radio elements must have the radio frequency circuitry shielded. Physical components and tuning capacitor(s) may be located external to the shield, but must be on the module assembly		No This module does not have shielding cover, but it was designed with SMT and integrated into specific host manufactured by us (TLV Co., Ltd.)
(b) The module must have buffered modulation/data inputs to ensure that the device will comply with Part 15 requirements with any type of input signal	Yes(The modular transmitter has buffered modulation data inputs)	
(c) The module must contain power supply regulation on the module	Yes(Power supply regulation is provided by circuitry on the transmitter chip.)	
(d) The module must contain a permanently attached antenna, or contain a unique antenna connector, and be marketed and operated only with specific antenna(s), per Sections 15.203, 15.204(b), 15.204(c), 15.212(a), 2.929(b)	Yes(The application is intended for professional installation only, the antenna of this module complies with the requirement)	
(e) The module must demonstrate compliance in a stand-alone configuration		No The testing for this module is performed in the specific host
(f) The module must be labelled with its permanently affixed FCC ID label, or use an electronic display (See KDB Publication 784748 about labelling requirements)	Yes(A sample of the host label is provided as an exhibit, showing the FCC identifier of the module.)	

(g)The module must comply with all specific rules applicable to the transmitter. The grantee must provide comprehensive instructions to explain compliance requirements	Yes(The module approved transmitter complies with all applicable rules. Detailed explanation is provided in their manual)	
---	---	--

<b>Modular approval requirement</b>	<b>Yes(provide brief statement)</b>	<b>No *</b>
(h) The module must comply with RF exposure requirements	Yes(This module is complied with RF exposure requirement)	

\* Please provide a detailed explanation if the answer is "No  
Sincerely,

Signed:
