Re: About the modification of Monitor

Gentlemen:

I, hereby, declare that all modification on the E.U.T.,
FCC ID: H4IEV700, will be added or layout on the mass production
products. Modifications are shown as below:

1. VGA Cable add a core
(As the photo No.2)
2. G4 wire add a core.
(As the photo No.12)
3. G2 wire add a core.
(As the photo No.12)
4. Add two wires from shield can to CRT GND wire.
(As the photo No.10)
5. AC inlet GND wire add a core.
(As the photo No.11)
6. G2 signal trace add a 100p/2KV capacitor.
(As the photo No.12)
7. Arcing wire add a core.
(As the photo No.10)
8. Add two cores at SDA, SCL assembly wires.
(As the photo No.11)
9. R.G.B. assembly wires add a core.
(As the photo No.11)

Sincerely yours

Douglas Yang
Supervisor
