Dear Sir/Madam:      **Our File Ref. 2W06693**  
                             **FCC ID: H4JUT-3-460-S08**  
                             **Applicant: Daniels Electronics Ltd.**  
                             **Equipment: UT-3-460-S Paging Transmitter**  
                             **FCC Confirmation no.: EA174742**  
                             **Class II Permissive Change filing for FCC Part 22 & 90**

We have successfully electronically filed all the required documentation for an application for a Class II Permissive Change in accordance with FCC Part 22 & 90 on the above mentioned equipment. The applicant has added the capability for digital paging operation. The original grant was analog paging only. The test report contains test data to support digital paging operation as well as analog.

If you require additional information, please do not hesitate to contact me at 1-800-563-6336 (extension 232).

Thank you in advance for your assistance in this matter.

Sincerely,
