Federal Communications Commission
Equipment Authorization Branch
7435 Oakland Mills Road
Columbia, Maryland 21046

Declaration of Compliance

Reference: **FCCID: H4JVT-3-150-SN**

This is to certify that the Daniels Electronics Ltd. VHF FM transmitter at reference conforms to SAR (Specific Absorption Rate) limits regarding exposure of human beings to radio frequency electromagnetic energy, as defined in United States Federal Communications Commission, Code of Federal Regulations; 47 CFR Part 1, § 1.1310 *Radiofrequency radiation exposure limits*, which is in turn based on American National Standards Institute (ANSI) criteria for localized SAR in Section 4.2 of “*IEEE Standard for Safety Levels with Respect to Human Exposure to Radio Frequency Electromagnetic Fields, 3 kHz to 300 GHz*”¹.

A warning statement to the installer/user has been included with the Instruction Manual for this transmitter indicating minimum safe distances from the antenna for various common power amplifier configurations.

Dated this **19th** day of **January, 2001**
