Dear Sir/Madam,

As appointed agent for **KAVAL TELECOM INC.**, we would like to submit the application to Federal Communications Commission for certification of the above product. Please review all necessary files uploaded to FCC OET site.

There is no change on the original certified equipment design. This submission is for the 896-902 MHz and 935-941 MHz frequency bands, which was not included in the original submission. We are seeking certification under class II permissive changes for the above specified frequency bands.
