Subject: **Sec. 22.383 In-Building Radiation Systems.**

Dear Sir or Madam;

This letter is intended to confirm that as regards our submission for our **H6M-US1900P**, we understand and intend to comply with...

Sec. 22.383 In-building radiation systems.- Licensees may install and operate in-building radiation systems without applying for authorization or notifying the FCC, provided that the locations of the in-building radiation systems are within the protected service area of the licensee's authorized transmitter(s) on the same channel or channel block.

Yours sincerely,

Name: Alan Aslett, P.Eng. Signature: _____

Title: Director of Engineering - Product Development Date: September 18, 2003
