

Letter of Modification

Date: Aug. 04, 2003

Subject : Class II Permissive Change / 19" LCD Monitor, [FCC ID. : H79L19DAR](#)
[Original Granted 05/28/2003](#)

Dear Sir,

This letter services as our explanation that the subject certified product changed are (1) to add a different type of main board (L19J, w/D-Sub & DVI Port are available and user selectable) (2) to modify the EMI debug. The purpose of these changes is to upgrade the original model. All the other functions are same as before. Please refer to photographs.

Delta Electronics, Inc. asked the Audix Corporation. to make a compliance testing according to FCC ANSI C63.4-1992 and get a compliance report to prove that those kinds of modifications on this base unit don't influence the noise emission level. Delta Electronics, Inc. asks you to accept this as a Class II Permissive Change.

If you have any quesations or require any other information, please do not hesitate to contact our agent.

Sincerely Yours,

Y.Y. Ford.
