

Model Name: G10-770HL

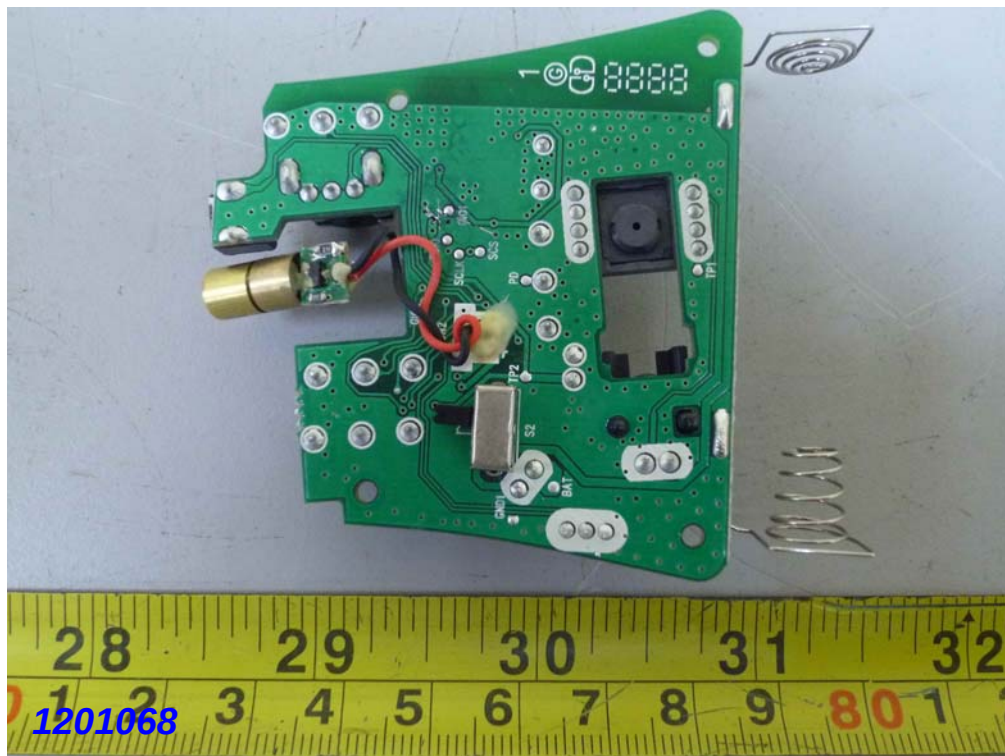

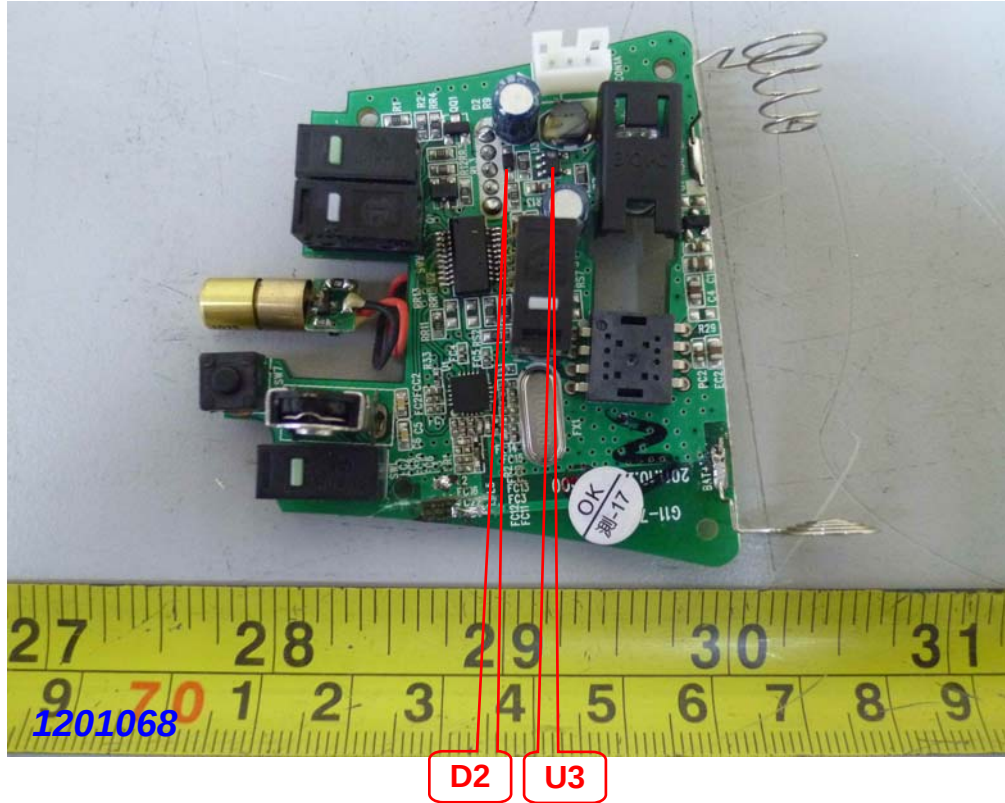

Model Name: G10-770HL

Schottky Diode is in the Boost IC (U3) and nothing on PCB location D2.

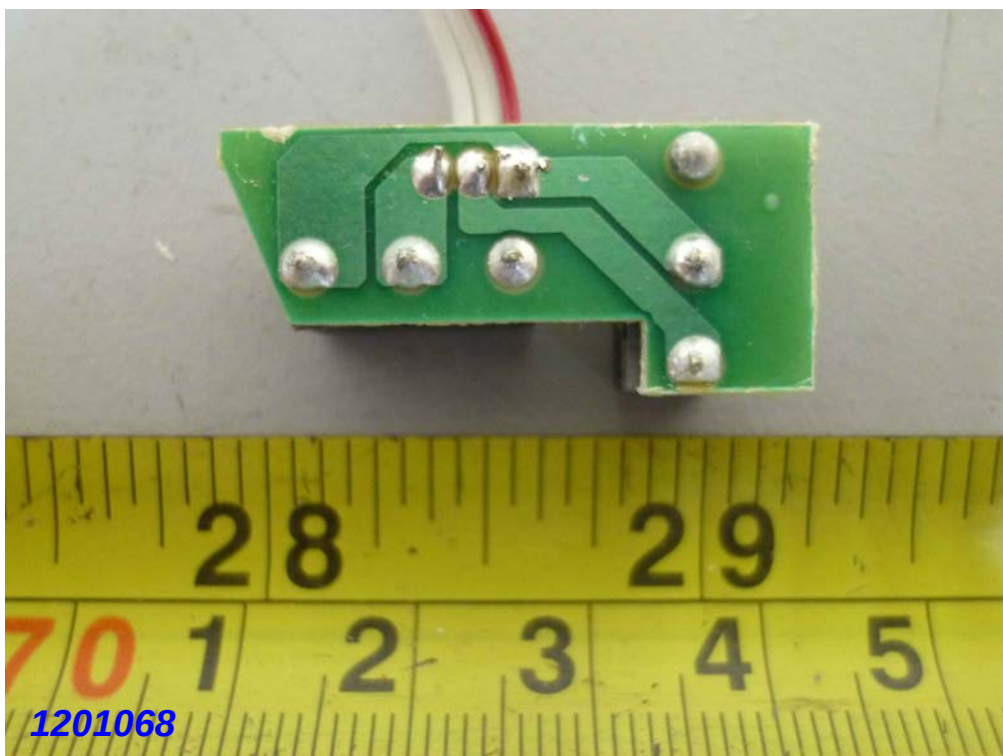

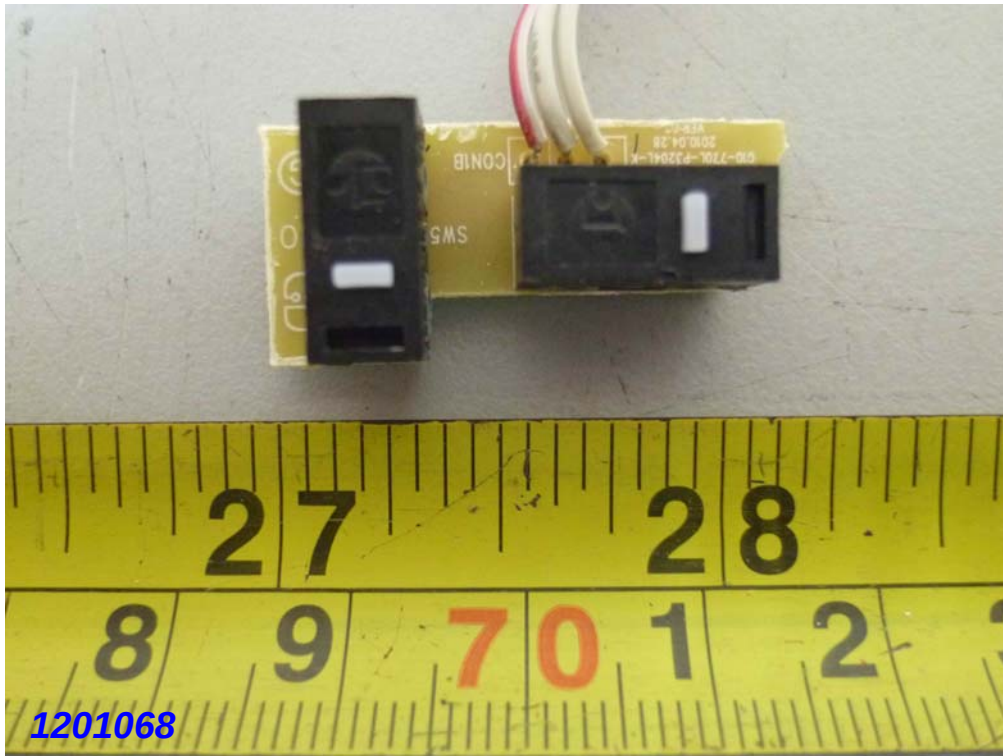

Model Name: G10-770HL

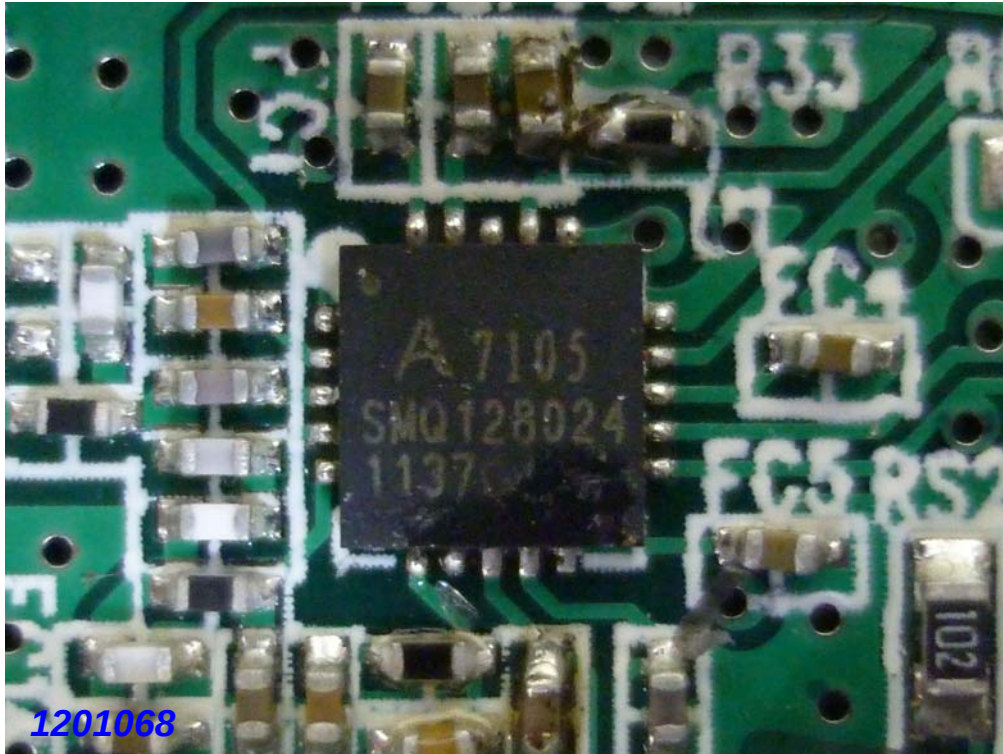

Schottky Diode is not in the Boost IC (U3) but on PCB location D2.

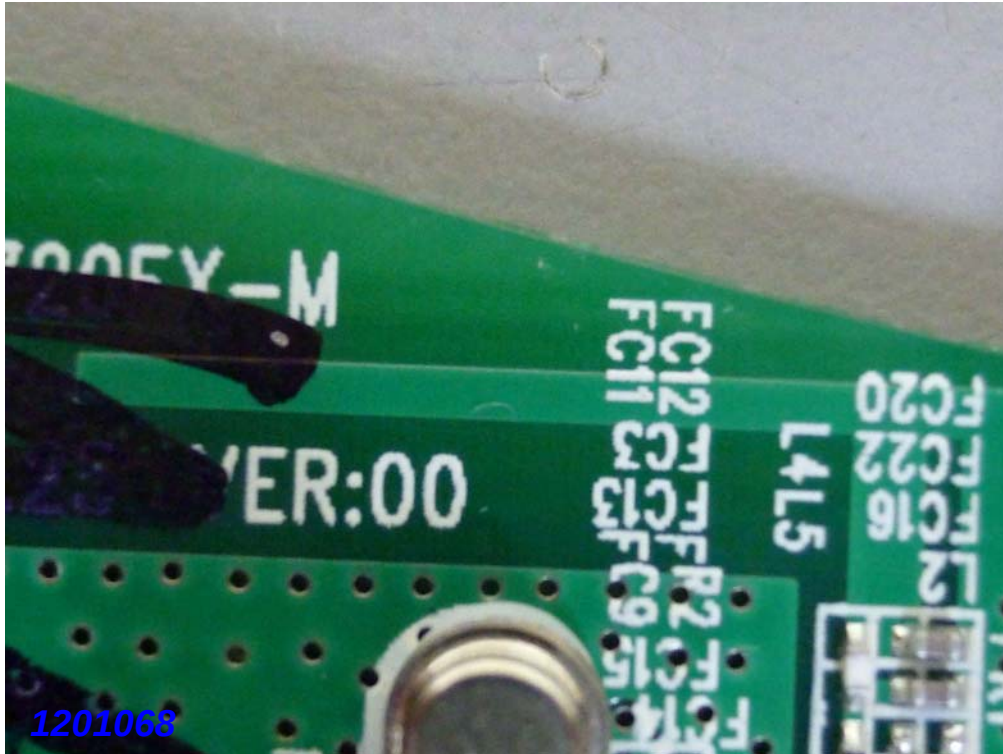

Model Name: G10-770HL

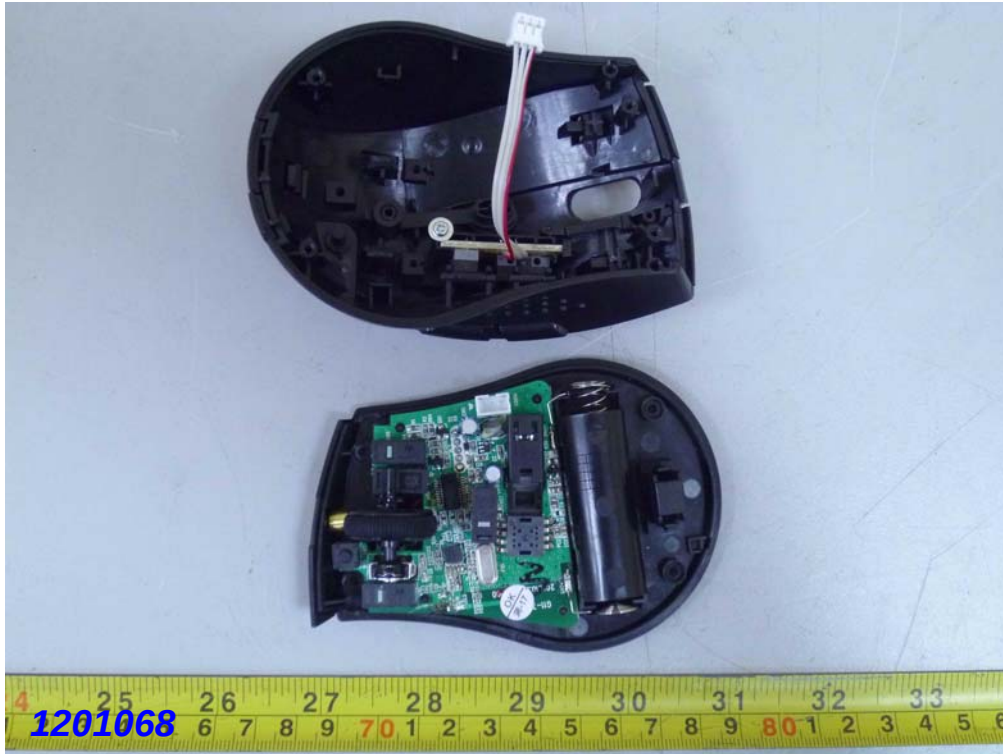

Model Name: G10-770HL

Model Name: G10-770HL

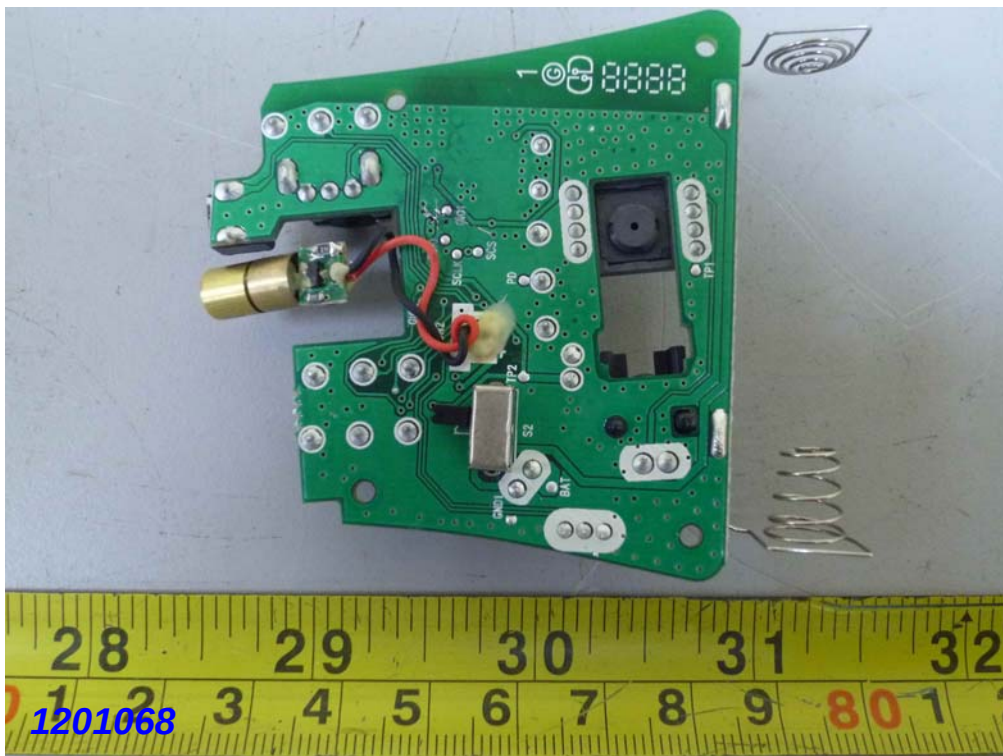

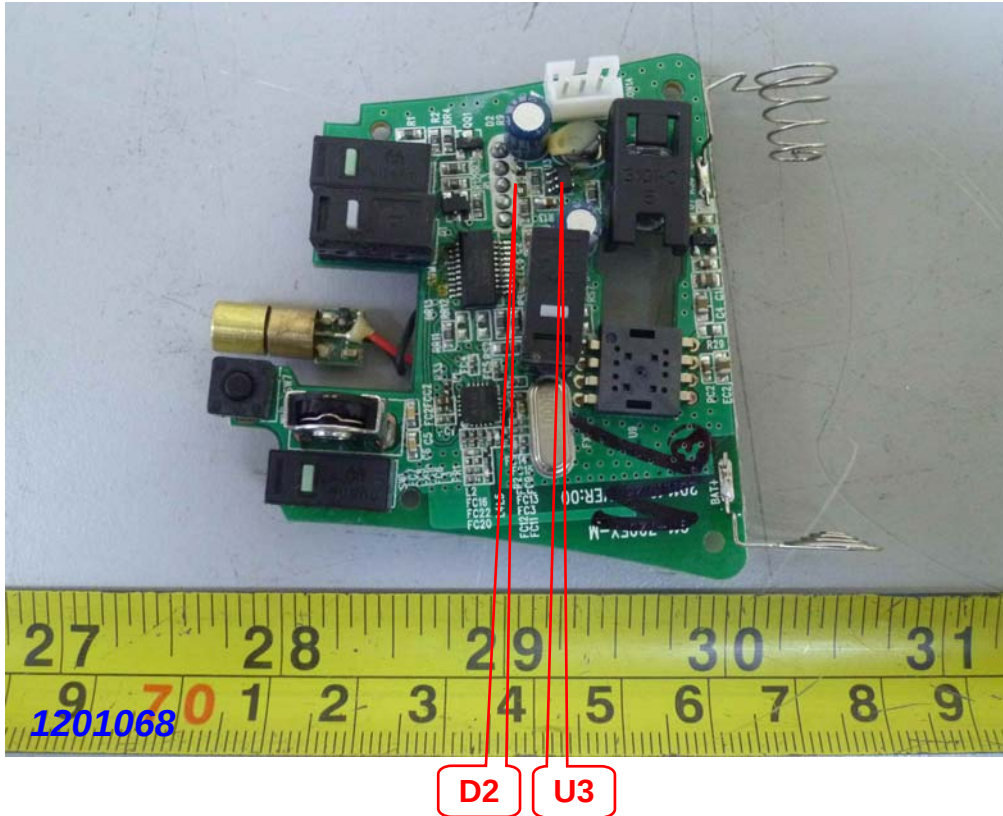

Model Name: G10-770FL

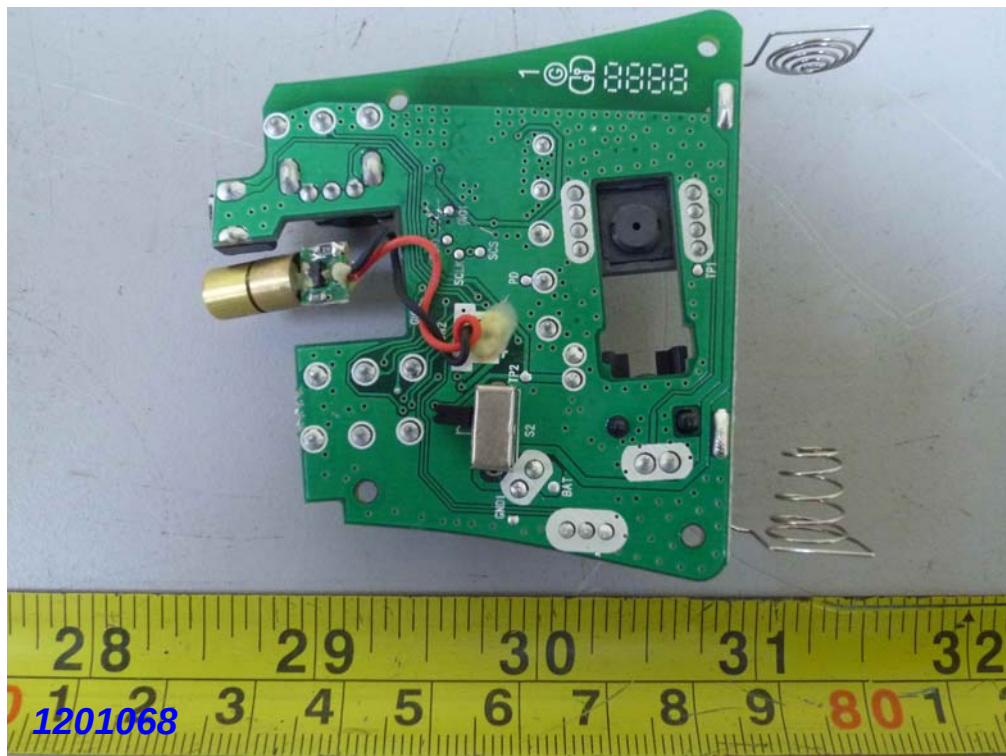

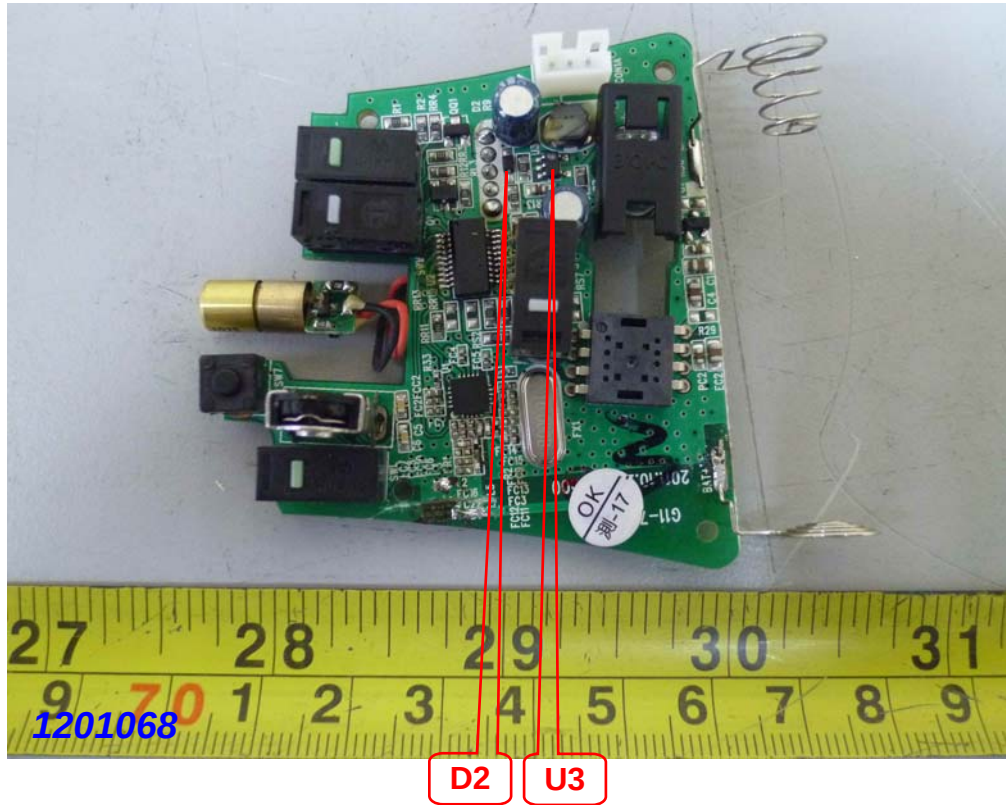

Model Name: G10-770FL

Schottky Diode is in the Boost IC (U3) and nothing on PCB location D2.

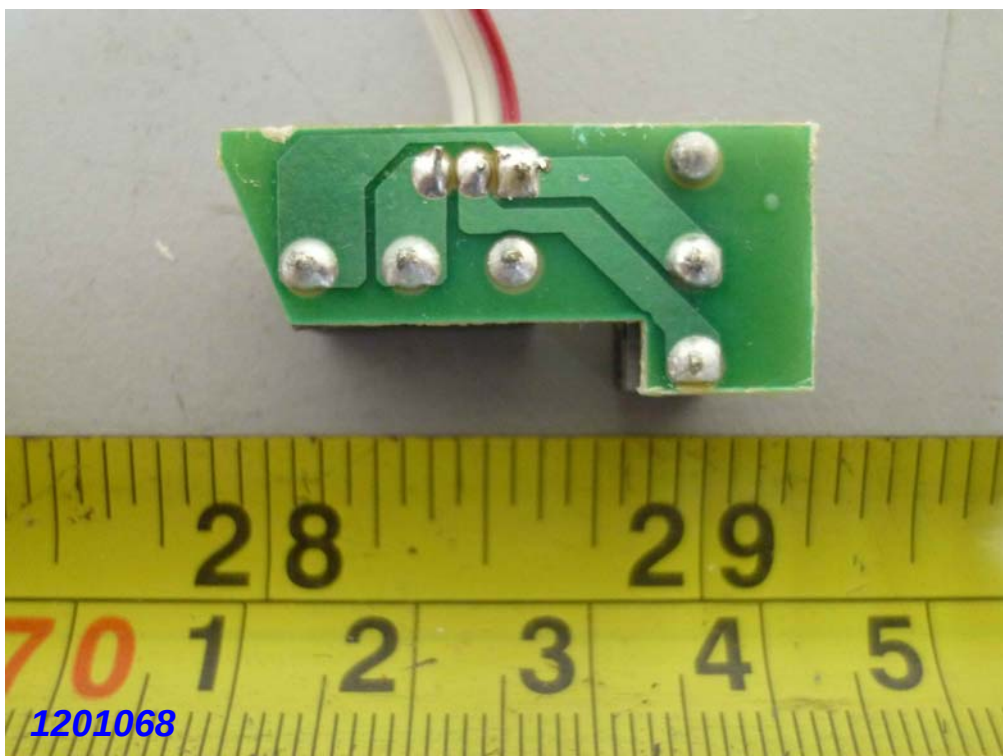

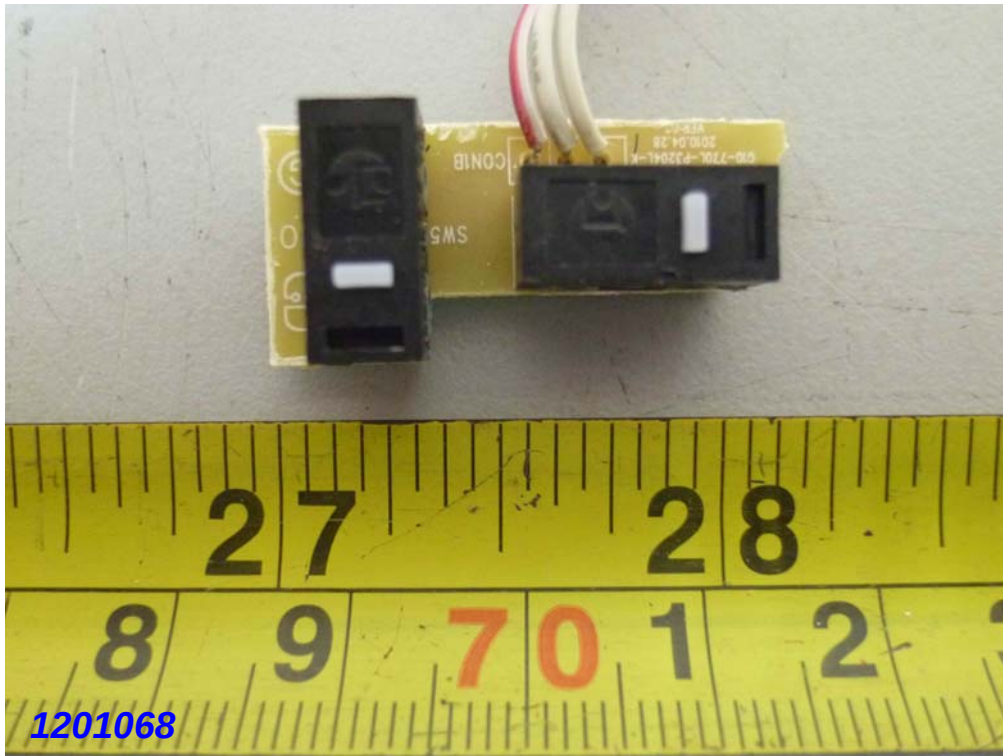

Model Name: G10-770FL

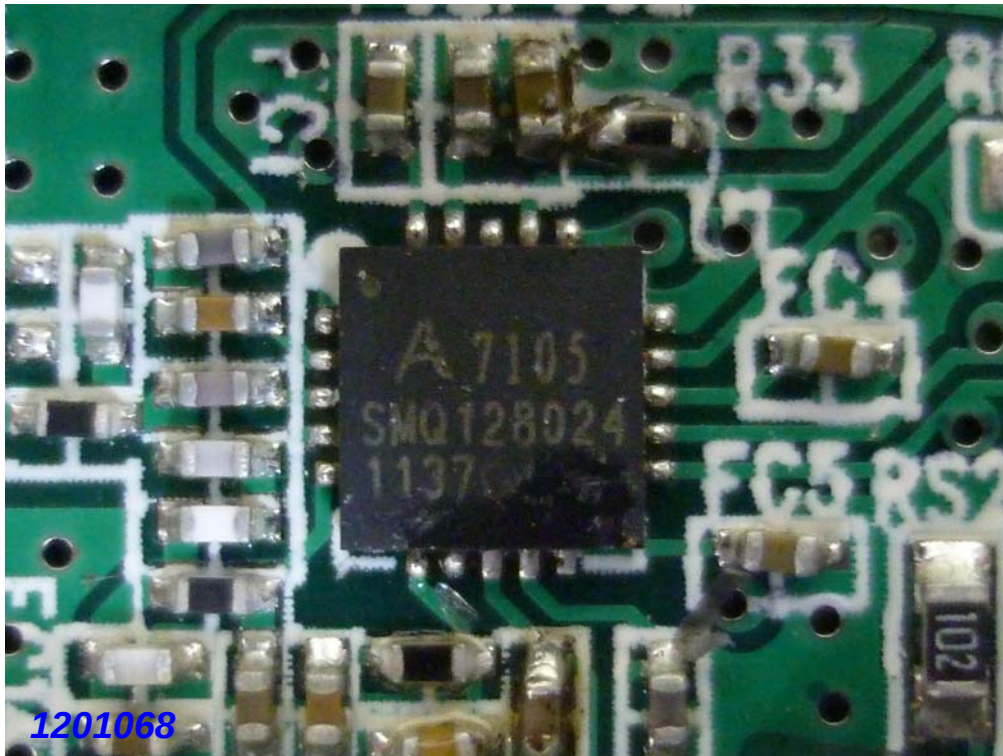

Schottky Diode is not in the Boost IC (U3) but on PCB location D2.

Model Name: G10-770FL

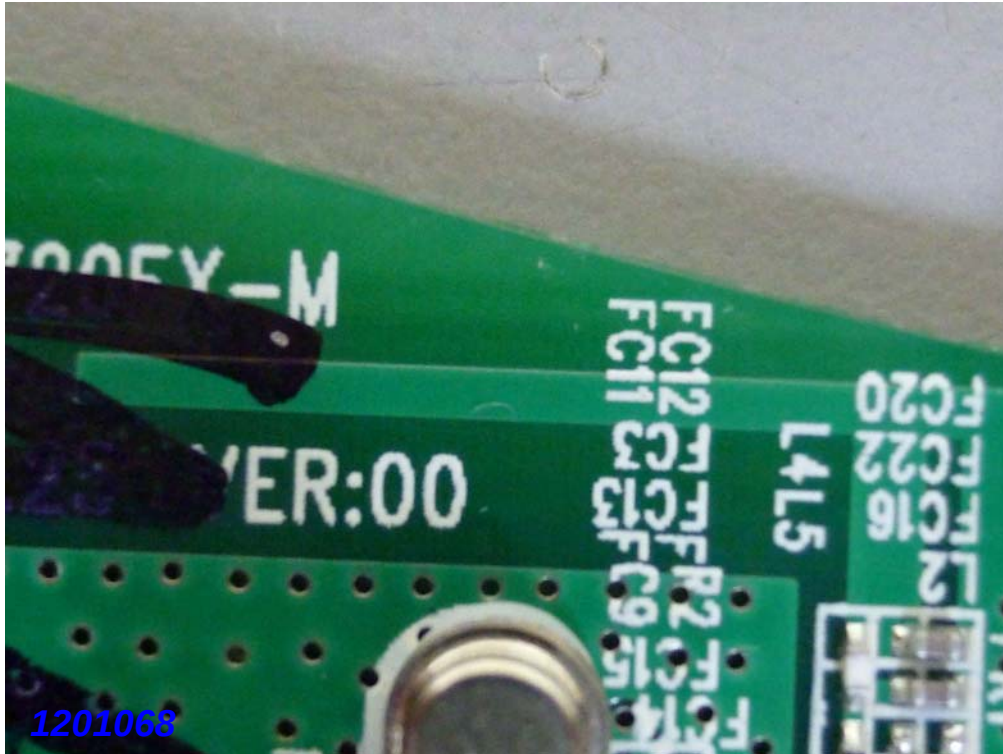

Model Name: G10-770FL

Model Name: G10-770FL

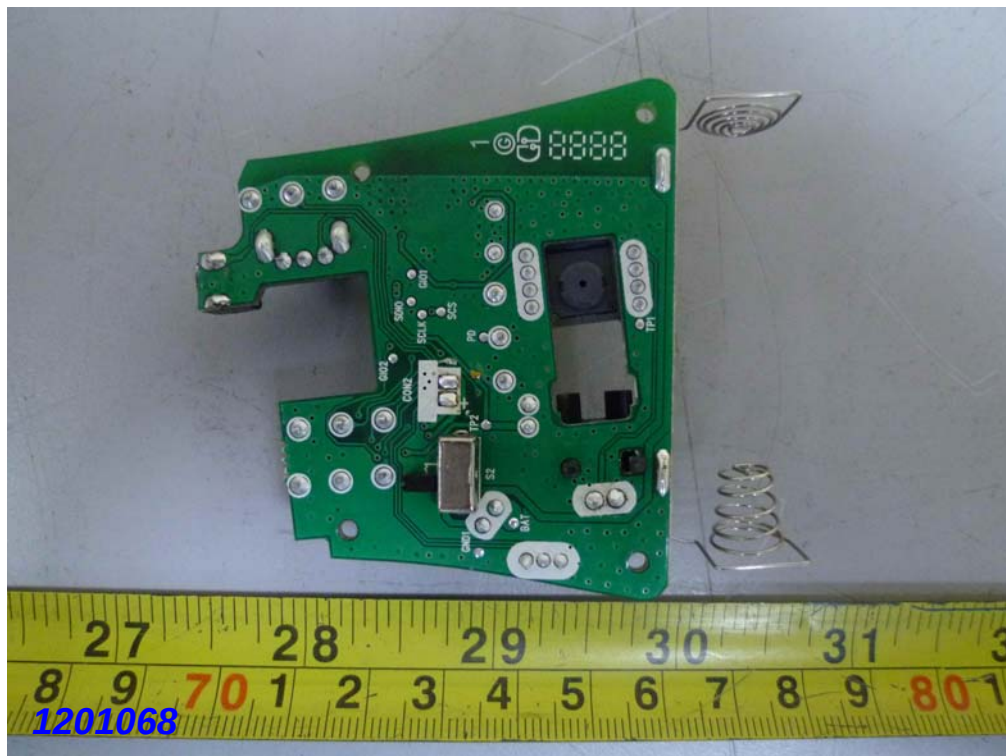

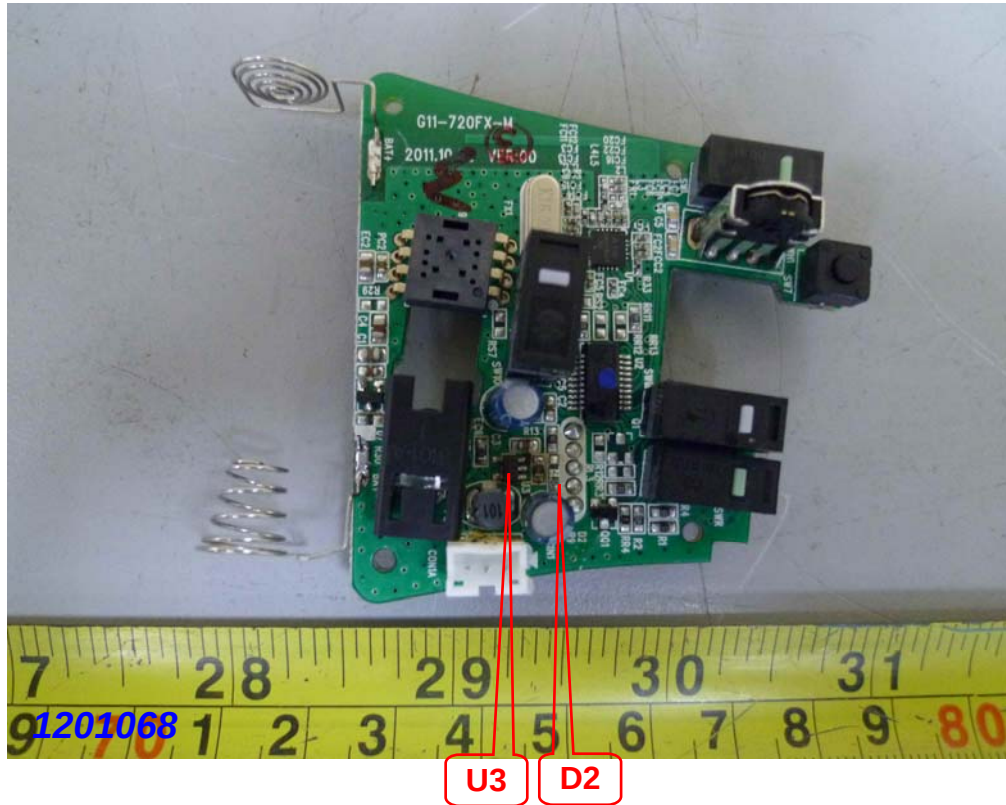

Model Name: G10-770H

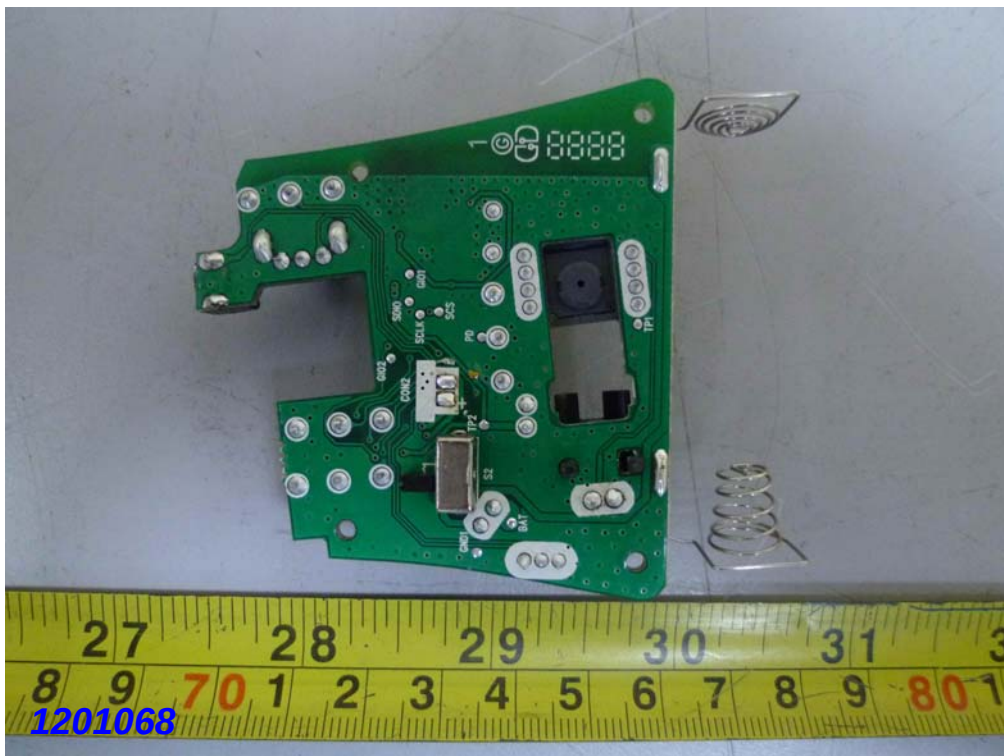

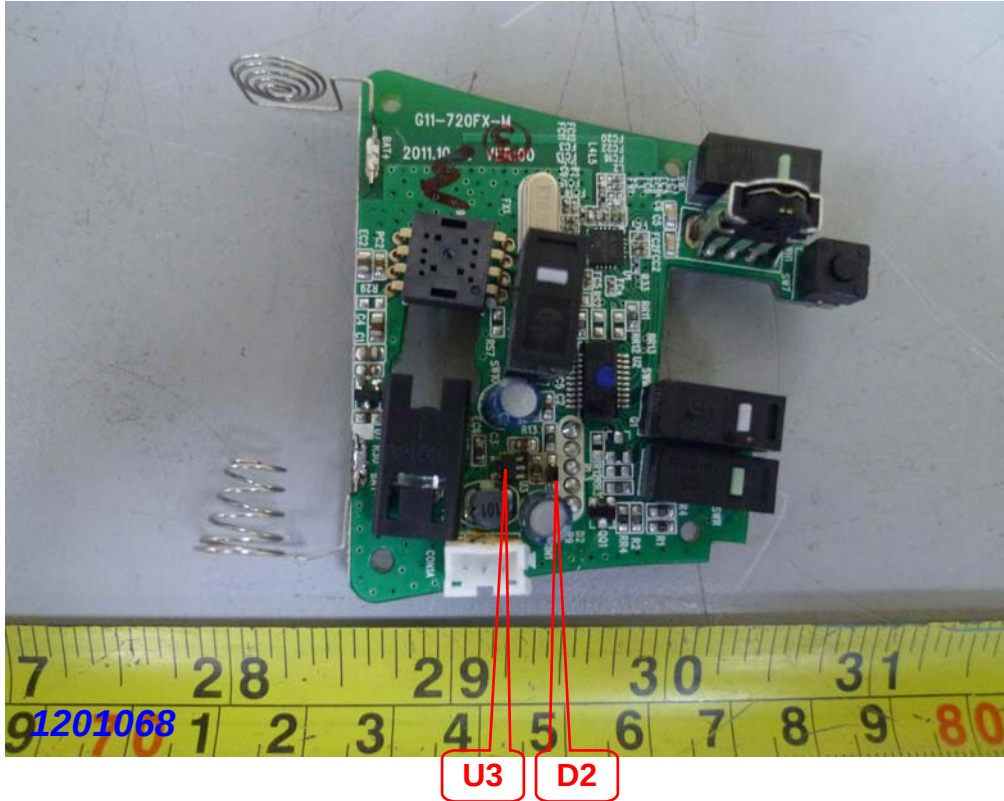

Model Name: G10-770H

Schottky Diode is in the Boost IC (U3) and nothing on PCB location D2.

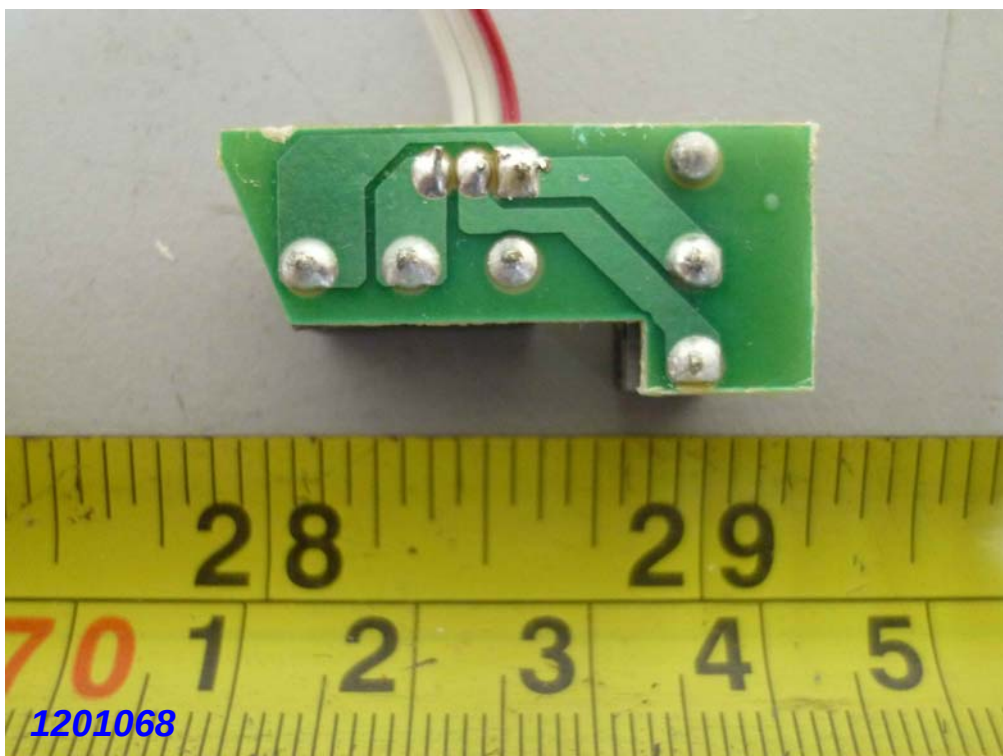

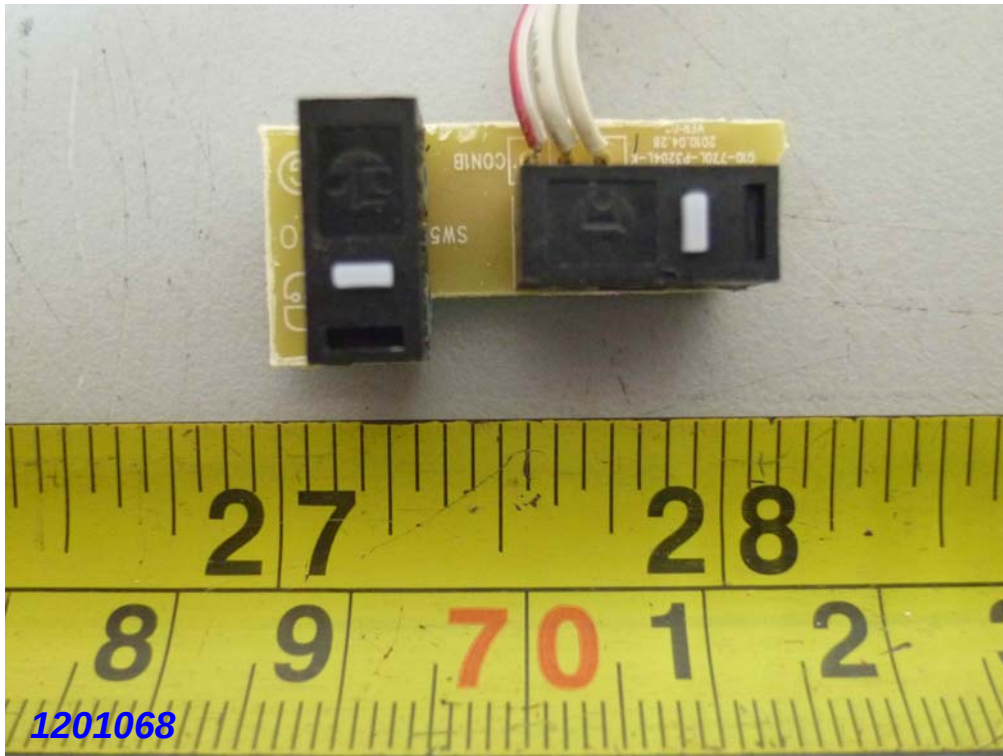

Model Name: G10-770H

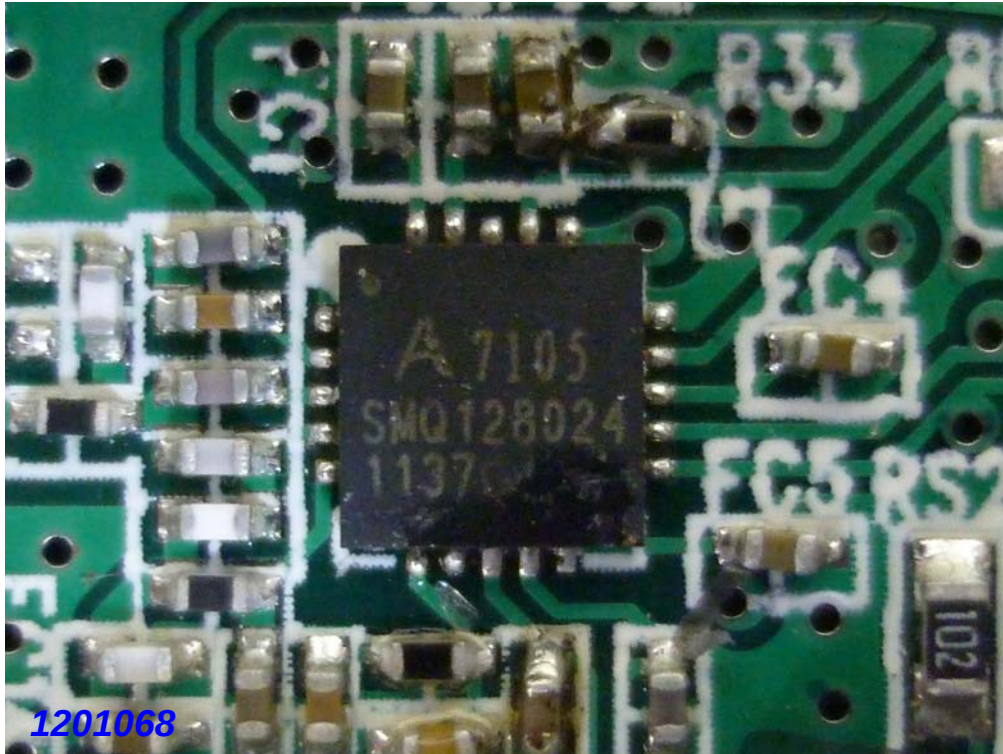

Schottky Diode is not in the Boost IC (U3) but on PCB location D2.

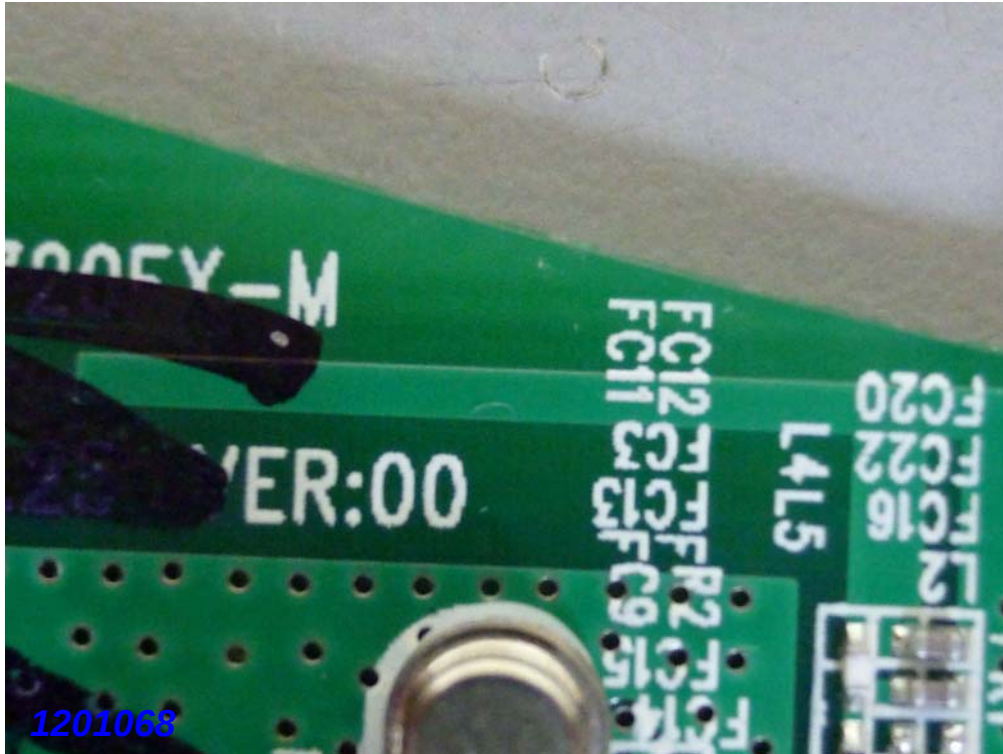

Model Name: G10-770H

Model Name: G10-770H

Model Name: G10-770H

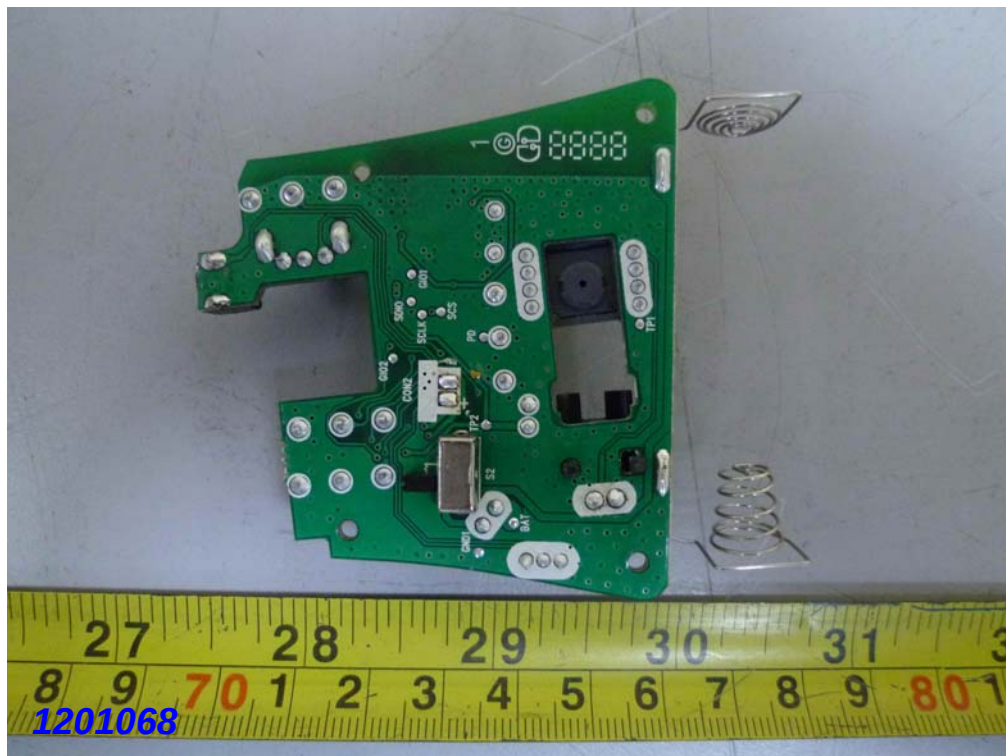

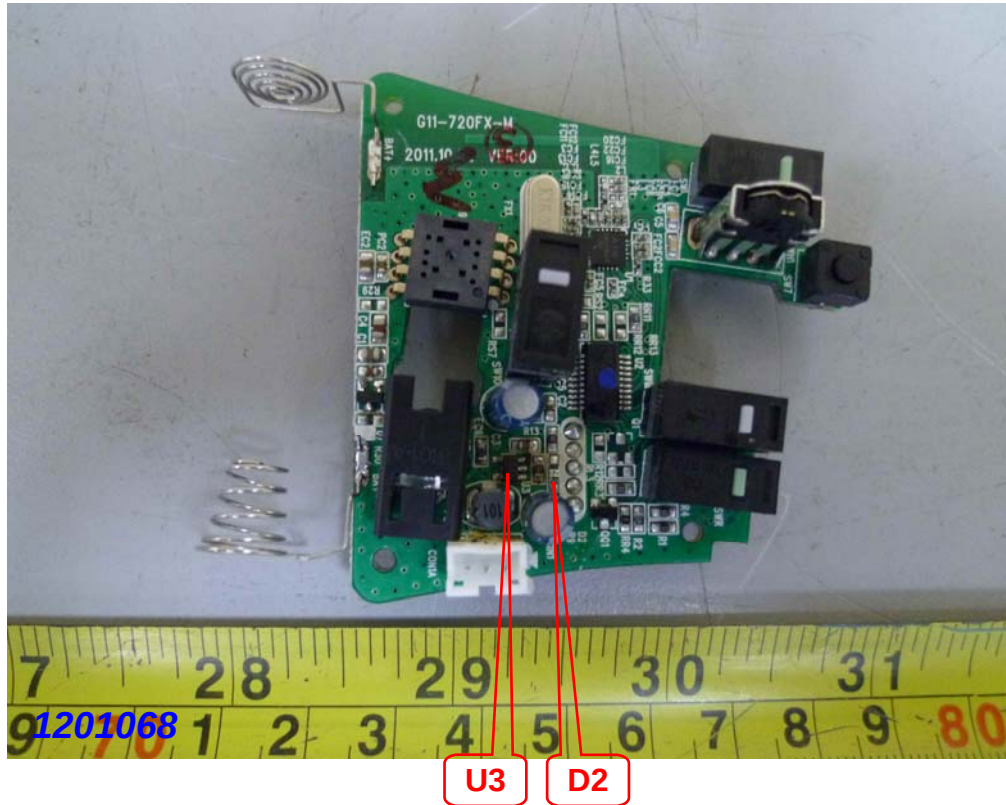

Model Name: G10-770F

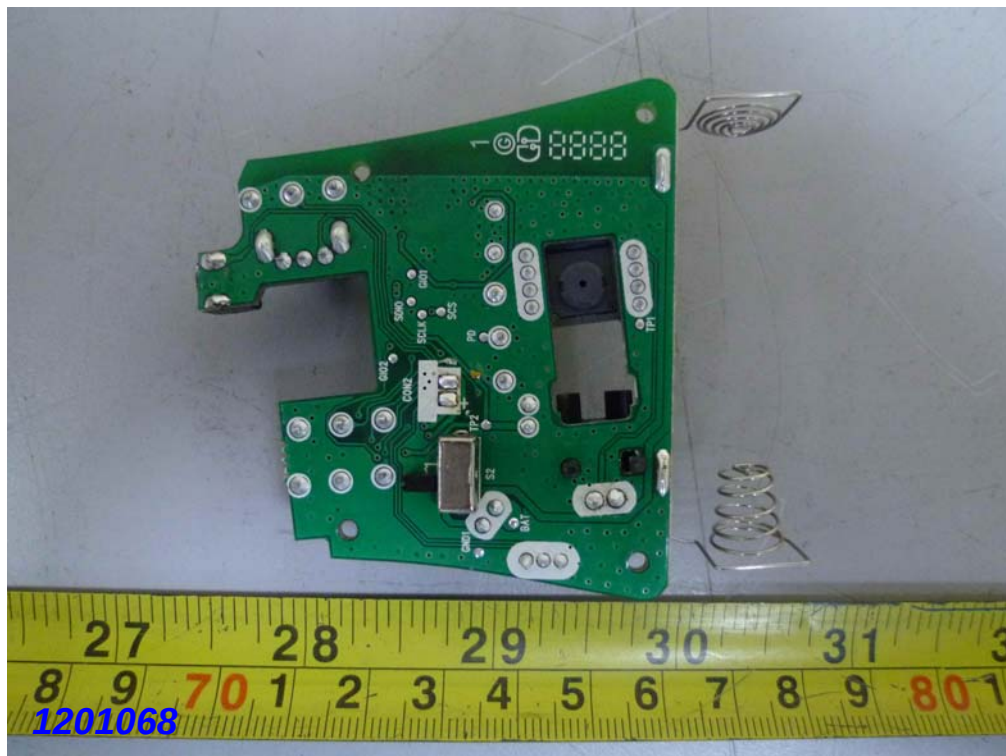

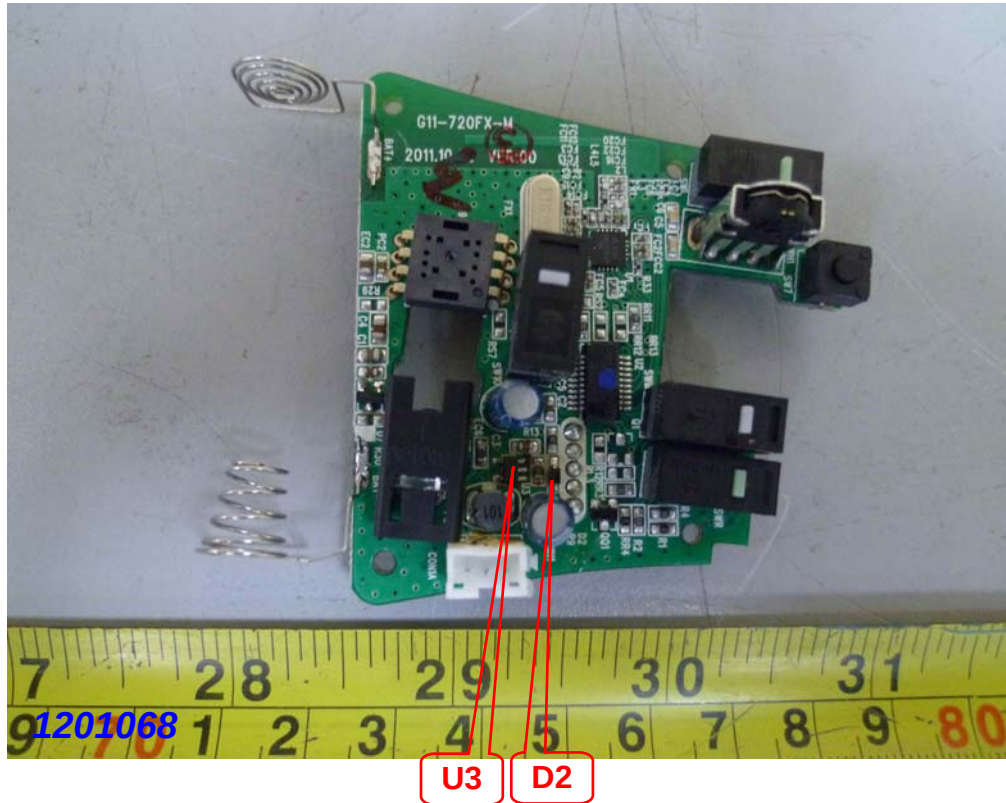

Model Name: G10-770F

Schottky Diode is in the Boost IC (U3) and nothing on PCB location D2.

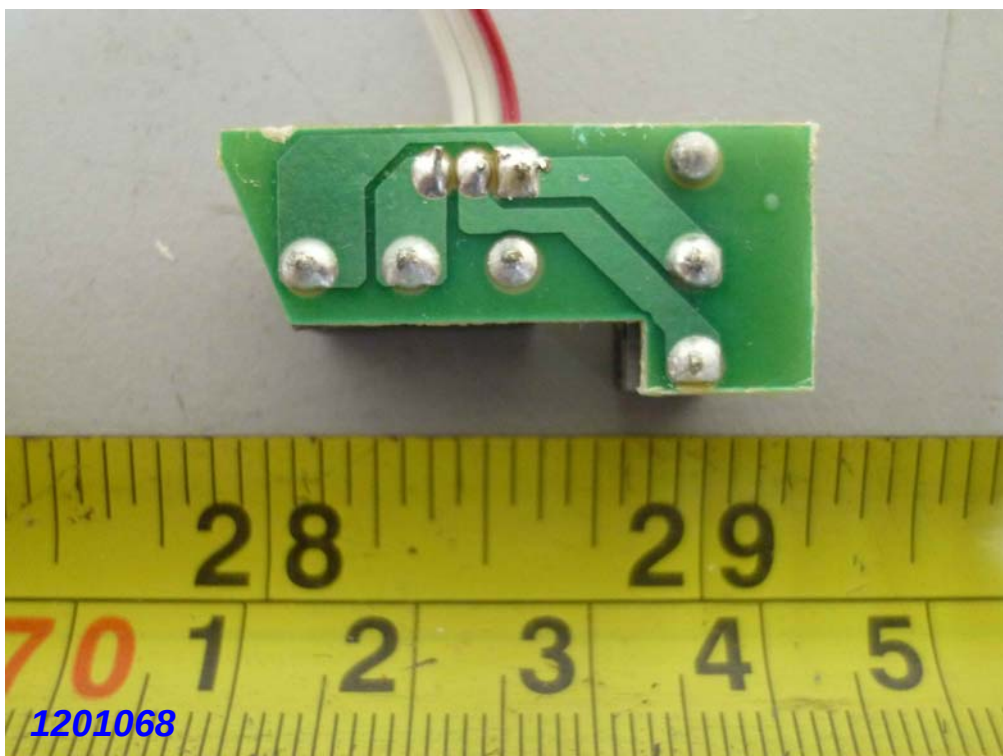

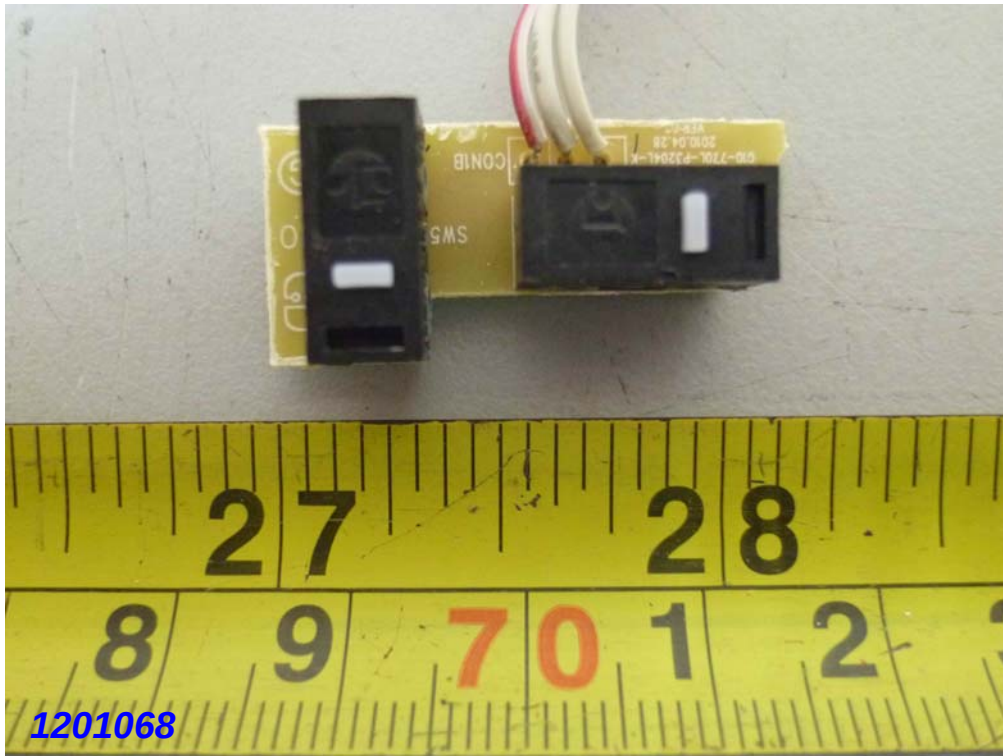

Model Name: G10-770F

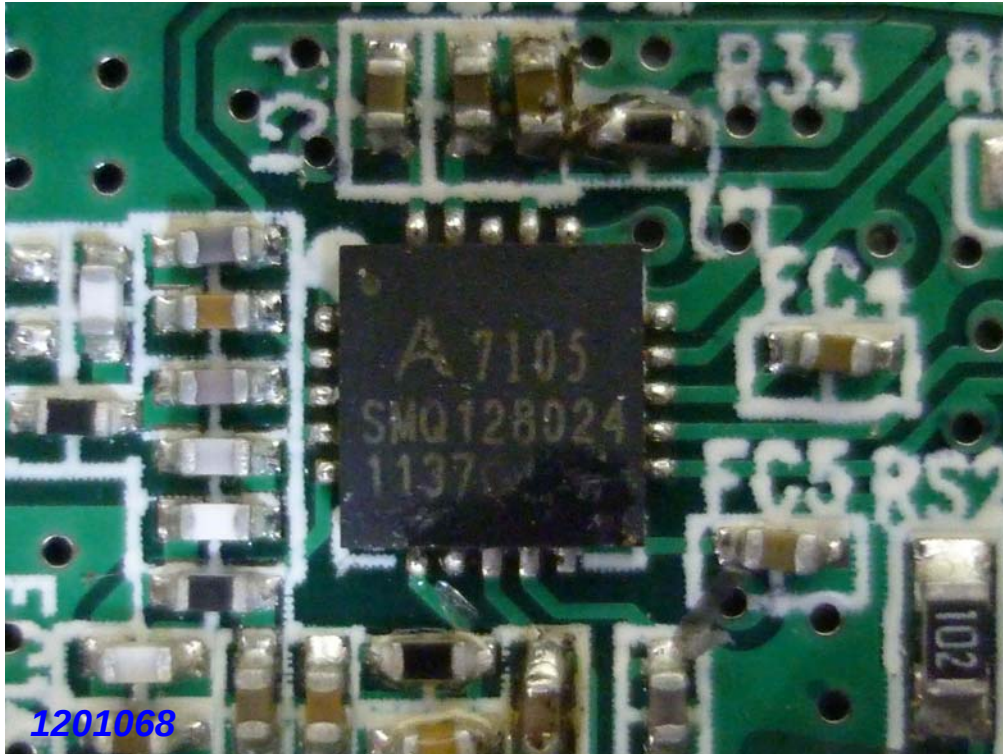

Schottky Diode is not in the Boost IC (U3) but on PCB location D2.

Model Name: G10-770F

Model Name: G10-770F

Model Name: G10-770F
