Question #1: Please revise the FCC ID label format to show the correct FCC ID.

Ans: The FCC ID had been updated.

Question #2: The Report indicates that the device can be powered by the host device, if this is the case, please submit additional power line conducted emission test data when the device is powered by the host device.

Ans: We had revised the test report on page 4, please have the attachment.

Best Regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee.
