

Description of Permissive Change

This report is prepared for FCC class II permissive change. This is the second time class II permissive change for FCC ID: H8NWLL030M. The original models are WLL030 and WLL030M. The first time class II permissive change was adding one new antenna for two models to do the test. For this time, three PIFA antennas were added to EUT for the test, which would like to be including in this authorization.
