Regulatory Engineering

Federal Communications Commission
Office of Engineering and Technology
Equipment Authorization Division
7345 Oakland Mills Road
Columbia MD 21046

Subject: Request Modular Approval for FCC ID: H9P2070

To the Commission:

The H9P2070 Module meets the requirements for Limited Modular Approval

- The H9P2070 modular transmitter has buffered modulation/data inputs.
- The H9P2070 modular transmitter has its own power supply regulation
- The H9P2070 modular transmitter has a “unique” antenna connection.
- The H9P2070 modular transmitter was tested in each host configuration.
- The H9P2070 modular transmitter is FCC ID: H9P2070
- The H9P2070 modular transmitter includes the required warnings and statements in the Users Guide provided to the end User.
- The H9P2070 modular transmitter complies with the RF Exposure requirements for a portable hand held device.

Respectfully,

Mark S. Luksich
