Request for Tech. Info.: 2/05/02

Dear Joe:

Transmitted herewith, on behalf of Symbol Technologies, Inc., is an amendment provided in response to the request for technical information dated February 5, 2002.

1. Symbol has informed us that there device is a typical Bluetooth device and the only difference is that the device is a slave device. Attached find the requested information that we obtained from the radio chip vendor, Silicon Wave (Processing Gain). Silicon Wave had informed Symbol Technologies that this type of device has been previously submitted to the FCC and accepted and is used in other FCC approved Bluetooth devices.

We trust this information is sufficient to issue the grant as soon as possible. If you have any further questions, please do not hesitate to contact us.
