Subject : SAR warning statement

To the FCC Reviewer :

The following is the SAR warning statement that Cognitive proposes to include in the user manual for our Code Ranger RF printers, model RD222424-0H4.

FCC RF Exposure Information

Warning! Read this information before using your printer

Body-worn Operation

This device was tested for typical body-worn operation with direct contact to the body and with the belt-clip accessory. The use of third-party belt-clips, cases, and similar accessories should not contain metallic components in their assembly. The use of these accessories that do not satisfy these requirements may not comply with FCC RF exposure compliance requirements, and should be avoided.

Thank you,
Roger Shepherd
