Re: FCC ID: H9PLA4137
Subject: Response to the request for information

Correspondence Reference number: 23315
731 Confirmation Number: EA665115

Andy,

In response to the three items on your request for additional information:

1) *A signed letter requesting that the FCC ID be changed and an explanation (error).*

The signed letter has been uploaded under the title "Response to Correspondence 23315"

2) *New FCC ID label. This device is using a module so the label photos should show the location on the module located inside the device and on the outside of the device.*

New Label photographs and drawings have been uploaded under the title "Label, External and Internal".

3) *Submit photos of the antennas.*

Photographs of the antenna have been uploaded under the title "Antenna Photographs".

Regards,

A handwritten signature in blue ink that reads "Mark S. Luksich".
