Attn: Bill Graff

Subject: FCC ID: H9PLA4137P Multiple Listing

Attached please find exhibits in support of this application for a Multiple Listing on FCC ID: H9PLA4137P. This is in response to your preliminary review of the exhibits uploaded earlier.

1. This product is electrically identical to the previously granted equipment. The original test results continue to be representative of and applicable to the originally granted equipment.
2. The only change is the label. Label location remains the same as the original equipment.
3. The following information will be placed in a prominent location in the manual:
“RF Exposure information: Operation of this device should exclude body-worn or similar operating configurations.”

We have previously on file with American TCB an Agent Authorization Letter naming Universal Compliance Laboratories as Socket's agent.

Please don't hesitate to contact me if you have any questions or issues regarding this application.

Best Regards
