

Regulatory Addendum:

1) WARNING-FCC RF EXPOSURE GUIDELINES

To satisfy FCC RF exposure compliance requirements for a portable transmitting device, this device should be used in hand-held, hand-operated configurations only. The device and its antenna should generally maintain a separation distance of 20 cm or more from a person's body; except for the hands and wrists because of higher exposure limit for extremities. This device is designed to be used in a person's hands and its operating configurations, generally do not support normal transmissions while it is carried in pockets or holsters next to a person's body.

The following statement is presently being added to the QRG (Quick Reference Guide –User's Manual) for the Symbol Diamond Terminal line. This addition will be covering the PDT 7532 CDPD, PDT 7533 CDPD/AMPS and PDT 7530 Datatac.
