Dear Sir/Madam:

As appointed agent for **Symbol Technologies Inc.**, we submit the application for FCC certification of the above product. Kindly review all files uploaded to your electronic filing site.

This application is for Class II Permissive change to address the integration of the radio module in a portable host as identified under FCC ID: GM37545MBW. SAR reports for this configuration are submitted for your review and certification along with the user manual and ID labelling of the final host.

If you have any queries, please do not hesitate to contact us.

Yours truly,

*Dan Huynh*
