New Product Submittal:  
FCC ID: HBW2555M for RF compatibility bridge model Homelink Rptr MC

Letter of Changes

To whom it may concern,

We would like to submit for a new FCC ID: HBW2555M for our Homelink Rptr MC. This unit is identical to the Homelink Rptr with the exception that the new model now transmits on the 315 MHz band as opposed to the 390 MHz band due to a hardware change.

We would appreciate your prompt attention to the submittal. If there are any questions, please call me at 630-993-6306 or send a fax to 630-516-6863.

Sincerely,

Barbara Kelkhoff  
Regulatory Engineering Manager
