Request for Dismissal

The reason for dismissal is that this transmitter will NOT be released for production until year 2011 and by having that information on the public FCC website gives our competition an unfair advantage.

I would appreciate your prompt attention to this request for dismissal. If there are any questions, please call me at 630-993-6306 or send a fax to 630-516-6863.

Sincerely,

Barbara P. Kelkhoff
