New FCC ID: HBW9525IH; IC 2666A-9525IH for our Main Control/transceiver for use in Industrial HD Operators

To whom it may concern,

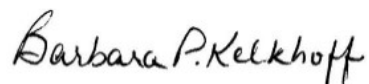

We would like to submit for Certification to FCC a new FCC ID: HBW9525IH for our Main Control/transceiver for use in Industrial HD Operators.

This is similar to our product Certified under FCC ID: HBW9525; the same radio circuit on same pcb is employed with a different motor and motor drive board as well as different enclosure and layout.

Please find in the following application all related documentation to support this new certification.

We would appreciate your prompt attention to the submittal. If there are any questions, please contact me by phone, fax or email.

Sincerely,

Barbara Kelkhoff
