Re: POST-GRANT CONFIDENTIALITY

FCC ID: HCOT43DPAN2

Pursuant to Sections 0.457 and 0.459 of the Rules, 47 C.F.R. §§ 0.457 and 0.459, Dali Wireless Inc. (the Dali in further text) requests confidential treatment of certain information previously submitted.

The Dali is requesting the Operational Description and User Manual (the Documents in further text) be permanently confidential.

The reason for this request is that the Documents are very technical and are not provided to the consumer because the consumer cannot service the device. Our devices will be sold to a limited audience and the Dali wishes the Documents to be inaccessible to the general public anywhere, and shall be available to the Dali integrators only.

So, the Dali requests the permanent confidentiality for the following items:
