

5. ID Label/Location Info:

Energy Billing Systems Phone-800-637-4242  
FA5253XS  
FCC ID: HCQ3B6FTSDTM  
This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This label is printed on 2.5 inch by 1.0 inch clear label stock. Below are photos of the FCC label as it appears in a typical OEM application of the FA5253XS module. The photos below are of the back-side of the OEM device.
