Attention: Application Examiner
Subject: New Model – EN1244 Smoke Detector
Applicant: Inovonics Wireless Corporation

August 19, 2016

FCC ID: HCQ3B6OT9GSK
IC ID: 2309A-OT9GSK

To whom it may concern:

Request is hereby submitted by Inovonics Wireless Corporation to withhold permanently from public review certain portions of this application for equipment certification. This request for confidentiality is made pursuant to the Sections 0.457(d) and 0.459 of the FCC Rules. In particular, Long-Term Confidentiality is being requested for the following sections of this application:

- Schematics
- Assembly Diagrams: P-OT9-GSK-06733-02-0_AssyBot and P-OT9-GSK-6733-02-0_AssyTop
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Parts List

Rationale for request for confidentiality:

Inovonics Wireless Corporation has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Corey Leavitt', with a long horizontal flourish extending to the right.

Corey Leavitt
