ATTESTATION

The EN1501-XL has not been modified since the test date of October 13, 2009 (Intertek Test Report ID 3175935DEN-005) and that test data from that test report is still representative of the device that will be marketed.

The updated test reports submitted for this grant are Intertek Test Report ID 100563022DEN-001 (Test Report_100563022DEN-001_EN1501-XL_OT9PMX_v2) and our Internal Test Report (Test Rpt Addtl Info 1_Addendum_EN1501-XL_OTPMX).
