Attention: Application Examiner May 3, 2021
Subject: New Model – EN1248 Glassbreak Detector
Applicant: Inovonics Corporation
FCC ID: HCQCSA02
IC ID: 2309A-CSA02

To whom it may concern:

Pursuant to Sections 0.457(d) and 0.459 of the FCC Rules, as specified in KDB 726920, request is hereby submitted by Inovonics Corporation to withhold permanently from public review certain portions of this application for equipment certification. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Parts List

Rationale for request for confidentiality:

Inovonics Corporation has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by Inovonics.

Thank you for your assistance with this request.

Sincerely,

A handwritten signature in black ink, appearing to read 'Corey Leavitt', with a long horizontal flourish extending to the right.
