## Product Equality Declaration

Applicant: Honeywell International Inc.

● Model: CK65L0N

**FCC ID: HD5-CK65L0N**(Original approval date: 25/03/2019)

**IC: 1693B-CK65L0N** (Original approval date: 26/03/2019)

To whom it may concern,

We, Honeywell International Inc., hereby declare that we are only and fully responsible for this second source of our product: Dolphin CK65, model name: CK65L0N. The reason of this replacement is due to NFC IC shortage. The differences from the original source are listed below. Except for the changes mentioned above, no other modification is performed. Also, the change follows IC pin to pin design, so that layout is identical. There is not any impact on the approved radio parameter such as output power, channel, frequency range and modulation etc. Should you have any question about this declaration, please contact me.

**Change List:**

	<b>Location/component:</b>	<b>Brand name:</b>	<b>Model name:</b>
<b>1.</b>	<b>U901/NFC Chip</b>	<b>NXP</b>	<b>NQ410A1EV/C101Y</b>

Sincerely,

Mandana Salahshour
