Attention: Application Examiner  
Re: Request for confidentiality

Applicant: Hitachi Telecom (USA), Inc.  
FCC ID: HDLUSA-60751-KE-E

To whom it may concern,

***Permanent Confidentiality***

Request is hereby submitted by Hitachi Telecom (USA), Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Tune up procedure
- Parts list
- Internal photos
- User manual

Rationale for request for confidentiality:

Hitachi Telecom (USA), Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

The products covered in this application are purchased under a non-disclosure agreement and are professionally installed in a secure location that is not accessible to the public.

Sincerely,

A handwritten signature in blue ink, appearing to read "David J. Schramm".

David J. Schramm  
EMC Department Manager  
Agent for Hitachi Telecom (USA), Inc.
