Dear Examiner:

I am writing to avoid the possibility of an inadvertent disclosure of proprietary information.

The accompanying Form 731 is being filed with commission on our behalf by Elliott Laboratories, Inc., a consulting and testing laboratory. Included as exhibits with the enclosed application are block diagrams, schematics, and a detail description of the theory of operation of the device.

We ask that these portion (block diagram, schematics, and theory of operation) of our application be withheld from public inspection as provided under FCC section 0.459. These document contain detail of the proprietary operation of product. These detail are not readily discernible – even to technically sophisticated individuals – from our hardware and constitute trade secrets.

We request therefore that these documents and this letter be segregated from the body of our evaluation report and withheld from public inspection.

Thank you for your attention. Please let the undersigned know if the Commission disagrees with our position or requires further justification.

Sincerely,

Hasiang - Shen Chen
