RE: FCC ID: HEDWA4101ACC
Attention: Eric Lin

I have a few comments on this Application.

1. Please note that the MPE report states an antenna gain of 12.5dBi. This is obviously a typo, but needs to be corrected anyway. Please correct the antenna gain number in the MPE report.
2. Please provide the schematics and block diagrams for the min-PIC transmitter in accordance with 2.1033.
