Subject: Response to Inquiry to FCC (Tracking Number 657377)

Inquiry:

---Reply from Customer on 09/27/2007---

Please refernce your September 17 2007 question about MS Category. The laboratory responds as follows:

The product support Category 1~4 for HARQ, the HARQ Categories are for different degree of data processing for better error recovery and it does not affect the actual transmitted power, modulation or unwanted emission. The product has been tested to maximum power with worst case modulation as described in EMC test report

Response:

FCC ID does not appear to be explicitly stated in this KDB ...

this FCC ID xxxxxxxx approved for initial e-filing upload, including most recent versions of attachments herein

when e-filing is complete, please respond within this KDB to request final approval to grant
