Dear Chris,

Please see my reply, thank you.

1. The Confidentiality Request letter lists the FCC ID Label exhibit in the Short-Term Confidentiality section. Please note that the FCC ID Label exhibit is a required exhibit which can not be held either long-term or short-term confidential.

Please note that the photograph of the EUT in this exhibit can be replaced with a drawing showing the relative location (photo is not required). Please submit a revised Confidentiality Request letter exhibit removing the FCC ID Label exhibit from the STC list, and submit a revised FCC ID Label exhibit replacing the photo with a drawing if you wish.

[Ans: Please see the revised Confidentiality letter and Label Sample & Location as the attachment.](#)

2. Please provide RF Schematic Diagrams for the Ericsson 3G WWAN module installed in this system.

[Ans: The client have sent RF Schematic Diagrams for the Ericsson 3G WWAN module to Mike.](#)

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.

Dear Celia Hsieh,

You are listed as the Technical Contact for the above referenced TCB application. The following item(s) need(s) to be resolved before the review can be continued:

2/9/2009

1. The Confidentiality Request letter lists the FCC ID Label exhibit in the Short-Term Confidentiality section. Please note that the FCC ID Label exhibit is a required exhibit which can not be held either long-term or short-term confidential. Please note that the photograph of the EUT in this exhibit can be replaced with a drawing showing the relative location (photo is not required). Please submit a revised Confidentiality Request letter exhibit removing the FCC ID Label exhibit from the STC list, and submit a revised FCC ID Label exhibit replacing the photo with a drawing if you wish.
2. The SAR report summary SAR values in Section 2 EUT Description on page 4 does not exactly match the summary tables on pages 29-31 (at least 2 values are different). Please also confirm complete compliance with the FCC 3G SAR requirements of FCC KDB #941225 and update the SAR report to declare compliance with this FCC guidance. Please submit a revised SAR report.
3. Please provide RF Schematic Diagrams for the Ericsson 3G WWAN module installed in this system.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted.
