RE: Quanta Computer Inc.

FCC ID: HFSWM3B2100

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) The responsible party located on the DoC information sheet must be located within the U.S. Please provide a corrected copy of the DoC statement that references a U.S. based responsible party, or if this is yet to be determined, then fill in with "U.S. based responsible party yet to be determined".
- 2) Please provide photograph or drawing showing placement of the FCC label on the device.
- 3) The users manual references 802.11a and 802.11b networks, while this adapter only functions on 802.11b as given in the application. Please explain and/or modify the manual as necessary.
- 4) The users manual should also explain to the OEM manufacturer that the DO NOT provide any information to the end user regarding how to install or remove the device.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
