Disable 2G/3G (WWAN) Function Declaration

We, **unitech electronics co., ltd.**, declare that the device of **FCC ID: HLEPA700BTNF**, **Model Name: PA700**, disables 2G/3G (WWAN) function by software while selling to the US and Japanese markets, and it cannot be operated and changed by end-user or third party.

Should you have any question or comment regarding this matter, please have my best attention.

Sincerely yours,

Ben Chiang
