主旨 Acer Incorporated, FCC ID: HLZ112BNH, Assessment NO.: AN09T9822, Notice#1

Hi, Miller,

Please address following issues.

Q#1: Module label as indicated on internal photos should include the FCC ID. Please update.

[ATL: See attached updated host internal photos.](#)

Q#2: According to the user manual and label location drawing, this tablet PC has also equipped with Bluetooth and WWAN modules; however, there are no information address them in this C2PC application. Please address.

[ATL: WWAN manufacturer will apply for the C2PC application to document the co-location issues..](#)

Q#3: According to the C2PC letter, an antenna is added in this host. Please provide the antenna specification if it is different from original filing.

[ATL: Please see the attached file. \(file name : Antenna Information.pdf\)](#)

Best Regards,
Lucy Tsai/CCS
