Re: Change of Identification Authorization

FCC ID: PPD-QCNFA344AH

To Whom It May Concern:

This letter grants authorization for representatives of **Acer** to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to **Qualcomm Atheros Inc.**, 802.11 A/B/G/N/AC+ BT 4.1 M.2 2230 TYPE CARD, FCC ID **PPD-QCNFA344AH**, granted on 21 August 2015. The module's new FCC ID will be **HLZ344A**. The equipment is electrically identical the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

Best Regards
