RE: FCC ID: HLZAS1710_ATCB001003

Attention: James Cheng / Daphne Liu

I have a few comments on this Application.

1. Please note that there is more than sufficient room on the outside of the laptop to place the 2-condition statement as required by the FCC. When there is sufficient room and when there are no other justifiable reasons, the FCC requires the label to be on the product not in the manual. Please provide a label with the 2-condition statement stated in 15.21.
2. Please note that the manual states that this device can be used in non-US counties. This indicates that it may operate on non-approved US frequencies. Please verify and confirm that when sold in the US, the user cannot make this device operate on non-US approved channels.
