Hereby declare that:

**Product:** Tablet Computer  
**Trade Name:** acer  
**Model Number:** EE6

## Declaration Letter

We, the undersigned, confirms and evaluates that voltage fluctuation of internal DC power supply feeding the RF portion of the equipment is below  $\pm 1\%$  when an external voltage source fluctuates between 10%, so that we, the undersigned, conclude that test with normal voltage is sufficiently representative to demonstrate EUT's compliance of extreme condition of voltage.
